IN THE BOARD OF COMMISSIONERS OF THE STATE OF OREGON
FOR THE COUNTY OF YAMHILL

(Sitting for the Transaction of County Business)

In the Matter of the Adoption  )
of the Uniform Plumbing Code  )
of the International Conference  ) Ordinance No. 54
of Building Officials, 1973 Edition,)
with Appendices A to H, Inclusive  )

WHEREAS, ORS Chapter 215 provides that the Yamhill County Board of Commissioners may adopt ordinances regulating the location, construction, maintenance, repair and alteration of buildings and other structures, and ordinances establishing standards for space, occupancy, light, ventilation, sanitation, heating, exits and fire protection for all buildings used or intended to be used for human habitation; and

WHEREAS, it appeared to the Board that on the 7th day of May, 1974, after due notice was given according to law, the Yamhill County Planning Commission held a public hearing regarding the enactment of an Ordinance to adopt the Uniform Plumbing Code of the International Conference of Building Officials, 1973 Edition, with Appendices A to H, inclusive, with certain amendments, for Yamhill County, and on that date recommended to the Board the adoption of said Ordinance for Yamhill County; and

WHEREAS, on the 29th day of May, 1974, after due notice was given according to law, a public hearing on this matter was held by the Yamhill County Board of Commissioners; and

WHEREAS, the Board has now determined that such Ordinance is necessary and proper for the protection of the public health, safety, welfare, morals, and best interests of the people of Yamhill County; and

WHEREAS, after the termination of the said public hearing before the
Yamhill County Board of Commissioners, and at the regular session of the Board on the 29th day of May, 1974, a motion was duly made and regularly passed to adopt said Ordinance for Yamhill County; now, therefore,

IT IS HEREBY ORDAINED:

SECTION 1. TITLE.

This Ordinance may be cited for all purposes as the Yamhill County Plumbing Ordinance, No. 54, 1974.

SECTION 2. APPLICATION.

(1) The Uniform Plumbing Code of the International Conference of Building Officials, 1973 Edition, with Appendices A to H, inclusive, hereinafter referred to as the 1973 Code, a copy of which is attached hereto and marked "Exhibit A - Ordinance No. 54," and made a part hereof, and all amendments thereto set forth in Section 5, are hereby enacted for the area of Yamhill County outside of incorporated cities, hereinafter referred to as the regulated area, and shall apply to all work in respect to any building, structure or mobile home located in said regulated area, with the exception noted in Section 4.

(2) Where the requirements or conditions imposed by a provision of this Ordinance or the 1973 Code differ from the requirements or conditions imposed by a provision of another law, ordinance, or order having application in Yamhill County, the provision which is the more restrictive shall govern.

SECTION 3. BASIC PROVISIONS.

Within the regulated area, and in respect to any work as herein defined, where

(1) a building or structure is built, this Ordinance applies to any work in respect to the design and construction of such building or structure;
(2) the whole or part of a building, structure or mobile home is moved, either into or from the regulated area or from one property to another within the regulated area, this Ordinance applies to any work in respect to such building, structure or mobile home or part thereof moved and to any remaining part affected by the change;

(3) the whole or part of a building, structure or mobile home is demolished, this Ordinance applies to any work in respect to such demolition and to any remaining part affected by the change;

(4) a building, structure or mobile home is altered, this Ordinance applies to any work in respect to such alteration, and to all parts of the building, structure or mobile home affected by the change;

(5) repairs are made to a building, structure or mobile home, this Ordinance applies to any work in respect to such repair;

(6) the class of occupancy of a building or structure or part thereof is changed, this Ordinance applies to any work in respect to all parts of the building or structure affected by the change.

SECTION 4. EXCEPTIONS.

(1) Except as provided in subsection (2) of this Section, this Ordinance does not apply to any mobile home which conforms to the health and safety requirements of the Oregon State Department of Commerce.

(2) Any mobile home referred to in subsection (1) of this Section shall comply with the provisions of Section 8 (Prohibition) and Section 9 (Permits) of this Ordinance. Additions to any mobile home shall comply with all provisions of this Ordinance.
SECTION 5. DEFINITIONS.

For the purposes of this Ordinance, all words, terms, and expressions contained herein shall be interpreted in accordance with the definitions set out in the 1973 Code, and further provided that:

(1) BUILDING INSPECTOR or OFFICIAL shall mean the Yamhill County Building Inspector, or his regularly authorized deputy;

(2) 1973 CODE shall mean the Uniform Plumbing Code of the International Conference of Building Officials, 1973 Edition, with Appendices A to H, inclusive, and all amendments thereto set forth in Section 6 of this Ordinance;

(3) LOT shall mean any unit of land created by a subdivision or partitioning of land pursuant to any Yamhill County subdivision ordinance, or any other unit of land of record in the office of the Yamhill County Assessor created prior to the adoption of any Yamhill County subdivision ordinance;

(4) MOBILE HOME shall mean a structure designed for dwelling purposes, manufactured as a unit, and intended to be occupied in a place other than that of its manufacture;

(5) WORK shall mean the construction, installation, alteration, repair, replacement or removal of, or addition to, any plumbing and drainage systems or parts thereof.

SECTION 6. AMENDMENTS TO THE 1973 CODE.

(1) Where the requirements or conditions imposed by a provision of this Ordinance differ from the requirements or conditions imposed by the 1973 Code of any amendments thereto, the provision which is the more restrictive shall govern.

(2) Without restricting the generality of the foregoing, the 1973 Code is amended as follows:
(a) Section 1002 is amended by adding thereto the following new subsection:

"(e) Section 42.005 through 42.017 of Chapter 333, Oregon Administrative Rules are made a part of this Ordinance, and no building supply shall be connected to or remain connected to any public or private water service system except in conformance with the standards and provisions set forth therein."

(b) The paragraph headed "General" preceding "Part A" of Appendix D is amended to read as follows:

"General

The purpose of this Appendix is to provide drainage from roof areas, underfloor areas, courts and courtyards, where it is necessary to collect storm water and deliver to an approved point of disposal not in conflict with other ordinances or regulations.

Cellars, basements and habitable spaces below grade shall be designed and constructed so as to be adequately protected at all points against penetration of moisture.

A storm water and/or seepage drainage system shall be provided for the foundation, footing, underfloor area, cellar, basement, habitable spaces below grade and roofs on all buildings and shall be carried to a storm drainage system, drainage ditch, street curb, gutter, or an approved discharge area or interceptor.

Where usable space is provided below grade, the roof drainage shall be carried separately from the foundation system to the approved point of discharge."
(c) Section 1212(a) is amended to read as follows:

"(a) All pipe used for the installation, extension, alteration
or repair of any gas piping shall be standard weight wrought
iron or steel (neither galvanized pipe nor galvanized fittings
shall be permitted), yellow brass (containing not more than
75 percent copper), or internally tinned or equivalently treated
copper of iron pipe size."

SECTION 7. RESPONSIBILITY OF OWNER.

Neither the granting of a permit, nor the approval of the drawings and
specifications, nor inspections made by the Building Inspector shall in any way
relieve the owner of any building or structure or the installer or repairman
of any systems or parts thereof from full responsibility for carrying out all
work in accordance with the requirements of this Ordinance.

SECTION 8. PROHIBITIONS.

(1) No person shall commence or continue any work without first obtaining
a permit from the Building Inspector.

(2) The written approval of the Building Inspector shall be obtained
before any work is covered or concealed.

(3) In respect to any work undertaken in violation of the provisions of
subsection (2) of this Section, the Building Inspector may at any time require
that such work, in whole or in part, be exposed for inspection.

SECTION 9. PERMITS.

(1) The Building Inspector shall issue a permit where:

(a) an application for a permit has been made in accordance with
the provisions of this Section, and
(b) the proposed work set out in the application conforms to this Ordinance and all other laws, ordinances, or orders having application in Yamhill County.

(2) The Building Inspector shall not issue a permit where the proposed work, in respect to any building, structure or mobile home, would constitute a violation of any of the provisions of Section 10(2) of the Yamhill County Building Ordinance, No. 52, 1974.

(3) The Building Inspector may issue a permit to a person who certifies on his application that the work covered by the permit will be performed by him or his immediate family at a single-family dwelling occupied by him as his permanent residence; however, if it appears to the Building Inspector that the work will not be performed by a qualified person, taking into account the character, complexity and potential hazards of the work, and the knowledge and experience of the person who will perform it, he may require that all or any portion of the work which, in his judgment, such person is not qualified to perform be excluded from the permit and a separate permit therefor be obtained by a qualified person.

(4) (a) The schedule of fees to be charged for the issuance of a permit under this Ordinance is as follows:

(i) Single-family residence unit group fixture fees:

For each single-family residence for the first bathroom, kitchen sink, hot water heater, water service, building sewer, and laundry facilities. . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . $25.00

For each single-family residence unit of a duplex for the first bathroom, kitchen sink, hot water heater, water service, building sewer, and laundry facilities in each unit. . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . $25.00
For each additional bathroom or portion thereof in a single-family residence unit. ......... $10.00
For each mobile home space. ............ $15.00
For remodeling or alterations made in existing single-family residence units, the fee shall be based on an individual fixture fee and miscellaneous fee charge.
For all other plumbing installations having a sanitary waste or potable water supply, there shall be charged fees as stipulated in the individual fixture fee and miscellaneous fee schedules contained herein.

(ii) Individual fixture fees:
From 1 to 50 fixtures in the same building. .... $3.00 ea. fixture
Each additional fixture above 50 to and including 100 fixtures in the same building ............... $2.50 ea. fixture
Each additional fixture above 100 to and including 200 fixtures in the same building ............... $2.00 ea. fixture
For each additional fixture above 200 in the same building. .......... $1.50 ea. fixture
For each building sewer from the building ........ $10.00
For each water service to the building ............. $5.00
A fixture fee shall be charged for each of the following:

- Sewage Ejector Pump and Sump Pump
- Backflow Prevention Devices and Anti-Pollution Devices
- Any trap or waste not connected to a fixture
- Special waste connections
- Each roof drain opening or downspout drain connection
(iii) Additional miscellaneous fees:

For private sewers connecting to the building sewer and/or pressure sewer, there shall be charged an inspection fee of $10.00 per 100 feet or any portion thereof.

For private water systems connected to the building water system, there shall be charged an inspection fee of $10.00 per 100 feet or any portion thereof.

The fee to a governmental agency shall be determined by the provisions set forth under ORS 190.003 to 190.110 for the purpose of carrying out the respective responsibility of each agency and the fee shall be $15.00 per hour for each hour or any part thereof.

The fee to any person or governmental agency for specially requested inspections or surveys shall be $15.00 per hour for each hour or any part thereof.

A five dollar ($5) reinspection fee shall be charged for inspection of violations found by the Building Inspector after the second inspection.

(b) If the Building Inspector discovers any person undertaking any work in violation of this Ordinance, he shall notify the violator to cease such act or acts, and such violator shall pay for such permit twice the amount of the fee otherwise levied.

(c) The estimated value of the work shall be determined by the Building Inspector and shall be based on the declared cost of materials and labor for each permit for each construction or installation.
The Building Inspector shall account for all fees paid under this Ordinance for any plumbing permit and shall deposit same in the County General Fund.

(5) Every permit is issued upon the condition that:

(a) construction or installation is to be started within six (6) months from the date of issuance of the permit;
(b) construction or installation is not to be discontinued or suspended for a period of more than six (6) months.

(6) An application for a permit shall:

(a) be made on the form prescribed by the Building Inspector;
(b) be signed by the applicant;
(c) be accompanied by the fee prescribed for the work to be undertaken;
(d) state the intended use of the building or structure;
(e) include copies in duplicate of a plot plan and scale drawings and specifications of the work to be carried out as required by the Building Inspector. The plot plan shall include, but not be limited to:

(i) the legal description, location, and dimensions of the land on which the building, structure or mobile home is, or is to be, located;
(ii) the location or proposed location of any well or other domestic water source, if other than a community or municipal water supply;
(iii) the location or proposed location of any pit privy or septic tank and leaching lines; and
(f) contain any other information required by this Ordinance, the 1973 Code, or the Building Inspector.

SECTION 10. DOCUMENTS ON THE SITE.

(1) The person to whom the permit is issued shall, during construction, keep

(a) posted in a conspicuous place on the property in respect of which the permit was issued a copy of the plumbing permit or a poster or placard approved by the Building Inspector in lieu thereof; and,

(b) a copy of the approved drawings and specifications referred to in Section 9(5)(e) on the property in respect of which the permit was issued.

SECTION 11. POWERS OF THE BUILDING INSPECTOR.

(1) The Building Inspector is charged with the administration and enforcement of this Ordinance.

(2) The Building Inspector may:

(a) enter any premises at any reasonable time for the purpose of administering this Ordinance;

(b) direct that tests of materials, devices or construction methods be made, or sufficient evidence or proof be submitted at the expense of the owner, where such evidence or proof is necessary to determine whether the material, devices or construction meet the requirements of this Ordinance. The records of such tests shall be kept available for inspection during the construction of the building or structure and for such a period thereafter as required by the Building Inspector.
(c) direct by written notice, or by attaching a placard to premises, the correction of any condition where, in the opinion of the Building Inspector, such condition violates the provisions of this Ordinance.

(d) revoke a permit where there is a violation of the provisions of Section 9(5).

SECTION 12. APPEALS.

Any person aggrieved by an official decision or action under this Ordinance shall have the right of appeal therefrom in the manner prescribed by Section 13 of the Yamhill County Building Ordinance, No. 52, 1974.

SECTION 13. PENALTY.

(1) No person shall commence or continue any work in respect to any building, structure or mobile home in violation of the provisions of this Ordinance.

(2) Any violation referred to in subsection (1) of this Section shall be deemed a nuisance.

(3) Any person who violates the provisions of this Ordinance is liable upon conviction to:

(a) a fine of not more than one hundred dollars ($100.00) for each day of violation where the offense is a continuing offense, but such fine shall not exceed one thousand dollars ($1,000.00);

(b) a fine of not more than five hundred dollars ($500.00) where the offense is not a continuing offense.
SECTION 14. VALIDITY.

The Yamhill County Board of Commissioners hereby declares that if any section, subsection, sentence, clause or phrase of this Ordinance or of the 1973 Code adopted by this Ordinance, is for any reason held to be invalid by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance or Code.

SECTION 15.

This Ordinance shall be in force and effect from and after the 1st day of July, 1974.

Dated this 29th day of May, 1974.

Yamhill County Board of Commissioners
