1. Work Session – None.

G. CONSENT AGENDA: None.

H. OLD BUSINESS: None.

I. OTHER BUSINESS (Add-ons and non-consent items):

1. **B.O. 25-55** - Consideration of approval of Ordinance 942 in the matter of amending the Yamhill County Dog Code; repealing Board Order 07-340; declaring an emergency and setting the effective date.

Hearing no objections, Jodi Gollehon entered the first and second reading of Ordinance 942 by title only.

Commissioner Starrett moved approval of item II. The motion passed, Commissioners Johnston, Starrett, and King voting aye.

2. Consideration of approval of Ordinance 941 in the matter of amending the Yamhill County Parks Code; the Wheatland Boat Ramp Parking Regulations; and the Rogers Landing Park Fee Schedule; declaring an emergency and setting the effective date.

Hearing no objections, Jodi Gollehon entered the first reading only of Ordinance 941 by title only.

Travis Pease stated that fees had not been updated since 2005. The original fee schedule was set to balance with the grant money received by the Oregon State Marine Board. Ken Huffer clarified that there was a cap for the launch fee and if the County were to charge more than the cap, the grant money would be reduced by 25%. Mr. Pease stated that there were fees not included in the Parks Code for renting space and events. Commissioner Johnston requested to have fee updates be proposed as Board Orders. Commissioner Starrett expressed concerns regarding overreach of the proposed prohibition of tobacco products in County parks. Commissioner Starrett then expressed concern about stipulating that law enforcement or Parks Manager shall immediately take any weapon stating that the Parks Manager was not trained to do so. Commissioners Johnston and Starrett requested to elaborate how the County could prohibit abusive language in a public park. Jodi Gollehon suggested that County Counsel could add that the abusive language would have to have been causing a reasonable fear of safety. The consensus of the Board was to reduce the tobacco stipulations to prohibit any tobacco products that cause a public nuisance, require fee updates to be proposed as Board Orders rather than written into the Code, and to allow the Parks Manager to issue a citation but not handle a deadly weapon. The Board requested to postpone the proposed Ordinance to a later date to allow staff time to make the recommended changes. No action was taken.

B.O. 25-087

3. **B.O. 25-56** - Consideration to authorize Public Works to purchase a 2025 Ford F-550 from Landmark Ford of Tigard, Oregon under the state bid contract in the amount of \$72,136.44.

Commissioner Johnston moved approval of item I3. The motion passed, Commissioners Johnston, Starrett, and King voting aye.

4. **B.O. 25-57** - Consideration of approval of a Board Order approving a Road Vacation without a Public Hearing: Public Works Docket No. RV-3-2024.

Commissioner Johnston moved approval of item I5. The motion passed, Commissioners Johnston, Starrett, and King voting aye.

6. **B.O. 25-59** - Consideration of a letter to be submitted to Senator Ron Wyden regarding cuts to Medicare physician payments. (Commissioner Mary Starrett)

Commissioner Starrett stated that Medicare implemented an almost 3% cut to physician payments for 2025 following an almost 1.7% pay cut in 2024 and a 2% cut in 2023 which she was concerned may be reducing quality of services.

Commissioner Starrett moved approval of item I6. The motion passed, Commissioners Johnston, Starrett, and King voting aye.

7. **B.O. 25-60** - Consideration of a letter to be submitted in opposition of Senate Bill (SB) 916 regarding unemployment insurance benefits for employees unemployed due to a labor dispute; and declaring an emergency. (Commissioner Mary Starrett)

Commissioner Starrett expressed concern about SB 916 having been generous in approving unemployment services and stated that it would likely result in other services being cut. She stated that the bill would have a broad impact and may encourage strikes.

Commissioner Starrett moved approval of item I7. The motion passed, Commissioners Johnston, Starrett, and King voting aye.
