ORDINANCE NO. 274
REPEALING & SUPERSEEDING ORDINANCE NO. 150 as Amended by ORDINANCES 168 & 188.

THE BOARD OF COUNTY COMMISSIONERS OF Yamhill County,

Oregon hereinafter called "the Board" ordains as follows:

SECTION I

POLICY, PURPOSE AND TITLE

1.1 -- POLICY. The Board of Commissioners of Yamhill County recognizes that ORS Chapter 609 grants non-home-rule counties the power to regulate dogs by ordinance and that on July 5, 1929 Yamhill County was declared to be a Dog Control District by a vote of the electors of Yamhill County. Pursuant to the vote of the electors and to ORS Chapter 609, Yamhill County is hereby declared to be a Dog Control District.

OF IMPOUNDED DOGS

7.1 -- COUNTY DOG FACILITIES. The Yamhill County Sheriff shall operate, maintain or provide for an adequate facility to receive, care for and safely confine any animal delivered to its custody under the provisions of this Ordinance, which facility shall be accessible to the public during reasonable hours for the conduct of necessary business concerning impounded animals.

7.2 -- WHEN AN ANIMAL MAY BE IMPOUNDED. Notwithstanding dogs which are impounded for allegedly injuring, chasing, wounding or killing livestock, any animal may be impounded and held at the County facility, when it is the subject of a violation of this Ordinance, when an animal requires protective custody and care because of mistreatment or neglect by its owner, or when otherwise ordered impounded by the court.

7.3 -- WHEN AN ANIMAL IS DEEMED IMPOUNDED. An animal

23 -- DOG CONTROL ORDINANCE NO. 274
is deemed to be impounded from the time the Yamhill County
Sheriff or any peace officer takes custody of the animal.

7.4 -- IMMEDIATE DESTRUCTION OF AN IMPOUNDED ANIMAL.
Any animal which has been impounded under this
Ordinance which, by reason of injury, disease or other cause,
is suffering great pain or is dangerous to keep impounded,
may be destroyed forthwith. The Yamhill County Sheriff may
request a veterinarian to certify this fact in writing before
such immediate destruction is undertaken.

7.5 -- NOTICE OF IMPOUNDMENT. Whenever any dog is
impounded which bears an identification of ownership, the
Yamhill County Sheriff shall make a reasonable effort within
24 hours of impoundment, by telephone, to give notice of the
impoundment of the animal to its owner and, if unsuccessful,
shall mail written notice by Certified Mail within 48 hours
of impoundment to the last address of record of the owner,
advising of the impoundment, the date by which redemption must
be made, and the fees to be paid prior to redemption and release.

7.6 -- PERIOD OF IMPOUNDMENT. Unless a dog which
evidences identification of ownership by a license, issued by
Yamhill County or some other authorized government entity,
is redeemed within five days after notice of impoundment is
mailed, such dog may be destroyed or sold, consistent with the
-- DOG CONTROL ORDINANCE NO. 274
manner prescribed by this Ordinance. Provided, however, that
if a dog has been impounded because it has either bitten a
person and does not have a vaccination which is valid for
immunity against rabies, or because a dog is suspected of
rabies, such dog shall be kept in impoundment and quarantined
for such period of time as is necessary to observe said dog
for the required 10-day quarantine period in order to determine
whether said dog is infected with or otherwise carries rabies.

7.7 -- DETERMINATION OF IMPOUNDMENT PERIOD. Any
period of time specified in this Ordinance for the keeping
of an impounded dog shall not include Sundays and legal holidays.

7.8 -- DISPOSITION OF ANIMALS GIVEN TO THE COUNTY
BY OWNER. Any dog given to the Yamhill County Sheriff by the

Sheriff for such disposal.

expiration of the impoundment period specified in this Ordin-
ance, the Yamhill County Sheriff may have the dog destroyed

than the original owner thereof, a new license must be purchased

25 -- DOG CONTROL ORDINANCE NO. 274
and an appropriate Inoculation Certificate must be produced within 30 days after the dog is released to the party by the Yamhill County Sheriff. Failure of the party to license the dog or produce an appropriate Inoculation Certificate within 30 days shall subject the party to liability under § 6.1(f) and § 6.1(g) of this Ordinance.

7.10 -- REDEMPTION. A dog impounded pursuant to this Ordinance shall be released to the owner thereof upon payment of the appropriate redemption fees set forth in this Ordinance. (a) Basic impoundment charges are: Ten Dollars ($10) for the first impoundment; Twenty Dollars ($20) for any subsequent impoundment of the same dog within a 12-month period.

(b) In addition to the basic impoundment charges, a boarding charge of Two Dollars ($2) per day or a fraction of a day shall be levied on an owner redeeming a dog after that dog has been impounded pursuant to this Ordinance. In addition, if any boarding charge has arisen as a result of a dog being originally impounded in a holding facility maintained by any city.

-- DOG CONTROL ORDINANCE NO. 274
the owner may be required to pay the boarding charge due to said holding facility.

(c) If the animal is unlicensed at the time of impoundment, a new license must be purchased by the owner and an appropriate Inoculation Certificate must be produced within 30 days after the dog is released to the party by the Yamhill County Sheriff. Failure of the party to license the dog or produce an appropriate Inoculation Certificate within 30 days shall subject the owner to liability under § 6.1(f) and § 6.1(g) of this Ordinance.

7.11 -- RIGHT OF ENTRY ONTO PRIVATE PROPERTY. In impounding any animal under this Ordinance, the Yamhill County Sheriff shall have the right to enter upon private property for the purpose of securing possession and impounding that animal and shall not be subject, civilly or criminally, for trespass.

8.2 -- ADMINISTRATION OF DOG CONTROL FUND. The Yamhill County Sheriff shall administer the Dog Control Fund and pay out of said Fund the costs involved in administering and enforcing this Ordinance and all livestock claims allowed pursuant to this Ordinance. If, at the end of the fiscal year, any money in the Fund is determined by the Yamhill County Board of Commissioners to be in excess of the requirements of the Dog Control Fund, said money may be transferred and placed in the General Fund of the County.

28 -- DOG CONTROL ORDINANCE NO. 274
SECTION IX

BITING DOGS -- RABIES CONTROL

9.1 -- IMPOUNDMENT OF CERTAIN ANIMALS. Whenever any animal bites any person and that animal has not had a valid and effective rabies inoculation as required by state law, or when an animal is suspected of rabies, the Yamhill County Sheriff shall apprehend and impound that animal and hold it in isolation in a suitable holding facility for a period of 10 days. During this impoundment, the animal shall be quarantined and studied to determine whether or not said animal is rabid. At the expiration of the 10-day period, the animal shall be released to the owner thereof, if known, without charge. Provided no citation has been issued pursuant to this Ordinance. Otherwise, the animal shall be disposed of as provided in § VII of this Ordinance.

9.2 -- PROHIBITED CONDUCT. It shall be a violation of this Ordinance for any owner or keeper of a dog which has bitten a person when that dog had not been effectively inoculated against rabies, to refuse to surrender that animal to the Yamhill County Sheriff when the Yamhill County Sheriff makes demand upon that individual for the surrender of said animal.

9.3 -- RABIES OUTBREAK. In the event of a rabies outbreak within Yamhill County, the Yamhill County Sheriff shall be empowered to use such portions of the Dog Control Fund as he deems necessary to purchase rabies vaccines for

Committee or the Yamhill County Clerk a verified statement
containing a full account of such killing, stating in detail
the amount of damage claimed on account thereof, and the name

receipt of said claim, the County Clerk will submit it to the
Dog Control Advisory Committee to be heard at said Committee's
first regular session thereafter.

10.2 -- REVIEW OF CLAIMS. The Dog Control Advisory
Committee shall review all livestock claims submitted and
shall allow or deny any portion thereof as it deems just;

return for a Subrogation Agreement allowing the Yamhill County
District Attorney to seek damages against the owner of the dog
for the amount paid out of the Dog Control Fund. The Yamhill

30 -- DOG CONTROL ORDINANCE NO. 274
County Sheriff shall prepare forms for the submission of
livestock claims and make the same available to the general
public. Any monies collected by the District Attorney
pursuant to this § shall, after deduction for the costs of
prosecution, be paid into the Dog Control Fund. The District
Attorney shall have full discretion to prosecute, not
prosecute, compromise or settle any action arising out of
this §.

OTHER GOVERNMENTS

11.1 -- INTERGOVERNMENTAL AGREEMENTS. The Yamhill
County Board of Commissioners shall be authorized to enter
into intergovernmental agreements with any or all of the cities
in Yamhill County for the furtherance of the purposes of this
Ordinance. Any such agreements shall require the city to
enact a dog control ordinance which provides that all dogs within
that city shall be subject to the licensing requirements of this
Ordinance and provide for substantially the same violations and
penalties as provided herein. The governing body of the city may
choose to consent to the application of this Ordinance within its
boundaries. Any such agreement may also provide for the sharing
of revenues from the Dog Control Fund for the purpose of
effective dog control within Yamhill County.

12.2 -- SEPARABILITY. If any chapter, section, subsection, sentence, clause, phrase or portion of this Ordinance is, for any reason, held invalid or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Ordinance.

32 -- DOG CONTROL ORDINANCE NO. 274
SECTION XIII

ENFORCEMENT PROCEDURES

13.1 -- MANNER OF CITATION. A Uniform Dog Control Citation, conforming to the requirements of this §, shall be used for all dog control violations committed in the presence of the complainant and which occur within the areas of Yamhill County which are covered by this Ordinance.

13.2 -- UNIFORM DOG CONTROL CITATION. The Uniform Dog Control Citation shall consist of three parts and such additional parts as may be inserted for administrative use. The required parts are as follows:

(a) Complaint.
(b) Yamhill County Sheriff's record of the violation.
(c) Summons.

Each of the parts shall contain the following information or blanks in which the information shall be entered:

(a) Name of the court.
(b) Name of the person cited.
(c) Section of the Dog Control Ordinance violated.
(d) Brief description of the violation with which the person is charged, in such a manner as can readily be understood by a person making a reasonable effort to do so; the date, the time and place at which the violation occurred, the date on which the Citation was issued, and the
name of the complainant.

(e) The time and place set for the person cited to appear in court.

Each of the parts may also contain such identifying and additional information as may be necessary or appropriate for the Yamhill County Sheriff to administer this Ordinance.

13.3 -- AMENDMENT OF UNIFORM DOG CONTROL CITATION.

Any error in transcribing the information in the blanks provided on the Uniform Dog Control Citation form, when determined by the court to be nonprejudicial to the defendant, may be corrected at the time of trial or prior to trial, with notice being given to the defendant.

13.4 -- TIME TO RAISE ERRORS ON CITATION. Except as provided in subsection 13.3 above, the complaint shall be set aside by the court only upon the motion of the defendant before plea if it does not conform to the requirements of this §.

13.5 -- CERTIFICATION OF UNIFORM DOG CONTROL CITATION.

The Citation shall contain a form of certificate by the complainant to the effect wherein he certifies that he has reasonable grounds to believe and does believe that the person cited committed the offense contrary to law. The certification, if made by the Yamhill County Sheriff or any peace officer, need not be made before a magistrate or any other person. A private
person shall certify before a magistrate, clerk or deputy clerk
of the court, and this action will be entered in the Court
Record. A certificate conforming to this § shall be deemed
equivalent to a sworn complaint.

13.6 -- SERVICE OF CITATION. The Yamhill County
Sheriff or a city police officer issuing the Citation shall
cause the Summons to be delivered to the person cited and shall
cause the Complaint to be delivered to the court. When the
Complaint is certified by a private person, the court shall cause
the Summons to be delivered to the defendant.

13.7 -- APPEARANCE BY DEFENDANT. The defendant shall
appear in court at the time mentioned in the Summons if the
Citation is for:

(a) Owning a vicious or dangerous dog.

(b) Owning a dog not vaccinated for rabies.

In other cases, the defendant shall either appear in
court at the time indicated in the Summons or, prior to such time,
shall deliver the Summons to the court, together with a check or
money order in the amount of the bail set forth in the Summons,
and enclosing therewith:

(b) A statement of explanation or mitigation of the
offense charged; or

(c) The executed appearance, waiver of hearing and

35 -- DOG CONTROL ORDINANCE NO. 274
plea of guilty appearing on the Summons. A statement in explanation or mitigation also may be enclosed with the guilty plea.

If a defendant submits a written statement to the court as provided in § 13.5, it operates as a Waiver of Hearing and Consent to Judgment by the court, declaring a forfeiture of bail on the basis of such statement and any testimony or written statement of the arresting officer or other witnesses which may be presented to the court. A judgment by the court declaring a forfeiture of bail, pursuant to this §, shall be deemed a conviction of the offense charged in the Citation.

13.8 -- FAILURE OF DEFENDANT TO APPEAR.

(a) If the defendant fails to comply with § 13.7 or fails to appear at any time fixed by the court, a warrant for his arrest may be issued.

(b) If the defendant fails to appear at any time fixed by the court and has posted bail, the court may order a forfeiture of that bail. No warrant of arrest may be issued pursuant to § 13.8(a) after a period of 60 days from the date of the entry of an order declaring a forfeiture of bail or other security given by the arrested person. Unless a warrant has been issued before the expiration of that period, the order of forfeiture shall be deemed the final disposition of the case and

-- DOG CONTROL ORDINANCE NO. 274
shall be deemed a conviction of the offense charged in the Citation.

13.9 -- IMPOUNDMENT OF ANIMALS VIOLATING THIS ORDINANCE.

In addition to issuing a Citation provided for in this §, the Yamhill County Sheriff may also impound the dog or the animal involved in a violation of this Ordinance in all cases where the owner or keeper of the animal is not available to assume custody and control of it. Further, in all cases where the animal is in violation of the §§'s of this Ordinance providing for keeping a vicious dog, or rabies control, the animal shall be impounded regardless of whether the owner is available to assume control of the animal.

13.10 -- CONTINUING VIOLATION. A continuing violation of this Ordinance shall constitute a nuisance and may be abated pursuant to ORS 203.127 or the Yamhill County Nuisance Ordinance if one exists.
