Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached).

I am a lifetime Yamhill County resident. I attended Yamhill-Carlton schools & Oregon State University, with a BS in Ag Business Management & Math minor. Following ROTC at OSU, I served more than 3 years as a US Army officer on staffs in Texas & Germany. Afterward, my brother & I have owned & operated our 3rd-generation Century Farm, Fruithill, Inc., headquartered at Yamhill. I own properties in a variety of agricultural & industrial zones. We have been producers &/or processors of sweet & tart cherries, plums & other fruits, & growers of hazelnuts & wine grapes. I have served in leadership roles on a wide range of community & industry boards, such as (chair) Oregon Processed Prune & Plum Growers Commission; (founding chair) Oregon Tart Cherry Association; (vice chair) Cherry Industry Administrative Board (an agency of the USDA); (vice chair) Oregon Cherry Growers, Inc.; (vice chair) Cascade Cherry Growers, Inc.; (chair) Yamhill County OSU Extension Service Advisory Council; Oregon Horticulture Society; Yamhill County Board of Review for Agricultural Land Assessment; & Yamhill County LNG Citizen's Advisory Committee. I have also served in leadership for a variety of other community, religious & non-profit organizations. I have directed the Community Cantata Choir since 1989, supporting the YCAP Yamhill County Food Bank. I have been married 49 years & have 3 grown children & 6 grandchildren, all residents of Yamhill County.

Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached).

I moved to Oregon in 1993 to be closer to my wife's family. We purchased a three acre parcel in the west hills of McMinnville and built our home. My wife and I are grateful to live in this beautiful place where we have raised four, now grown children.

I am applying for a position on the Yamhill County Planning Commission. I believe being a long time county land owner and having engineering and project management experience could assist the County's future planning.

My work in the private sector, and with State (ODOT, OSP) and Federal Agencies (ATF), have helped me build a proven, competent skill set as detailed on my attached resume. Those skills include a unique understanding of the process of planning, of analyzing complex requirements, policies and conflicting interests, then balancing their risks and benefits, to define priorities and actions.

Thank you for your consideration. I would be honored to bring my skills to the Planning Commission team as you continue to make Yamhill County a great place to live.
