and Declaring an Emergency. )

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board"), sat for the transaction of county business in special session on February 24, 1993, Commissioners Debi Owens, Dennis L. Goecks, and Ted Lopuszynski being present.

THE BOARD FINDS AS FOLLOWS:

A. On July 19, 1989 the Board adopted Ordinance 490. Ordinance 490 decreased the surcharge on solid waste generated outside Yamhill County from $3.30 per ton to $1.30 per ton for fiscal year 1989-90. The purpose of the interim decrease was to stabilize the flow of solid waste to Riverbend Landfill in Yamhill County.

B. On June 27, 1990 the Board adopted Ordinance 509. Ordinance 509 reinstated the $3.30 per ton out-of-county surcharge for the period from July 1, 1990 through January 31, 1991. The ordinance also provided that the surcharge would be increased to $4.80 per ton on February 1, 1991 until further amendment. A finding made by the Board in support of the ordinance provided as follows:

"WHEREAS, the Board finds that market factors now allow reinstatement of the surcharge on solid waste generated outside Yamhill County, effective July 1, 1990, and allow a temporary increase of the surcharge by $1.50 on February 1, 1991 in order to recoup funds lost by Yamhill County from July 1, 1989 through June 30, 1990, based upon the temporary reduction in the surcharge;"

C. Funds lost by the reduction in the out-of-county surcharge provided by Ordinance 490 have now been recouped by the additional $1.50 surcharge imposed by Ordinance 509.

D. Until the Board considers a new rate structure for Riverbend Landfill, which may include an increase in the surcharge or a "host fee" on all waste disposed at the landfill, the out-of-county
