Board of Commissioners:

Attached to this memo is a list of surplus computers and equipment that have recently been taken out of service. All computers and devices have the hard drives removed following the recommendations and best practices from CJIS (Criminal Justice Information System). The hard drives are stored onsite and will be sent out for destruction later. I would like to request that the Board declare the attached list of equipment surplus and offered to the School Districts throughout Yamhill County as per the previously approved procedure.

Thank you,

Shane J. Hoffman
