IN THE BOARD OF COMMISSIONERS OF THE STATE OF OREGON
FOR THE COUNTY OF YAMHILL
SITTING FOR THE TRANSACTION OF COUNTY BUSINESS

In the Matter of an Ordinance Imposing a
Vehicle Registration Fee As Provided by
State Statutes; Exempting Certain Vehicles;
Providing for Collection by the State of
Oregon; Providing a Formula for Distributing
Revenues to Cities; Providing an Effective
Date; and Referring this Ordinance to the Voters

ORDINANCE 633

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON (the Board) sat for
the transaction of county business in special session on September 4, 1997 Commissioners Ted Lopuszynski
and Robert Johnstone being present, Commissioner Bunn being excused.

THE YAMHILL COUNTY BOARD OF COMMISSIONERS ORDAINS AS FOLLOWS:

Section 1. FINDINGS. The Board makes the following findings:

A. Current funding is inadequate to address the growing need for funds to construct,
reconstruct, improve, maintain, operate and use the roads of Yamhill County, including within cities. This
has led to increased congestion and safety hazards which inconvenience and endanger residents of Yamhill
County and the traveling public. In addition, failure to regularly maintain roads adequately leads to
increased future costs.

B. Vehicle owners in Oregon pay one of the lowest state vehicle registration fees in the United
States. A local fee, as authorized by statute, is a fair and equitable way to help defray the costs of using
County roads.

C. Under ORS 203.035(1), the electors of a county "may by ordinance exercise authority
within the county over matters of county concern, to the fullest extent allowed by Constitutions and law
of the United States and this state" as though the specific powers were listed in the statutes.

Section 2.

A. The Board has received recommendations from staff and conducted one or more public
hearings on this matter and is fully apprised of the issues. The Board recognizes that, although referred
to as a fee in state statutes, the charge imposed hereby is, in fact, a tax. The Board finds that this is an
appropriate exercise of its taxing power and further, should be referred to the electors for approval or
rejection.

B. Exhibit "A," attached and by this reference incorporated herein, hereby is adopted subject
to referral as provided below.

ORDINANCE 633

Section 3.

A. The Office of County Counsel is authorized to codify this Ordinance and to make any technical non-substantive changes, as necessary to accomplish this codification.

B. A determination by a court of competent jurisdiction that any section, clause, phrase or word of this Ordinance, or its application, is invalid or unenforceable for any reason shall not affect the validity of the remainder or its application and all portions not found invalid or unenforceable shall continue in full force and effect. In the event that the amount imposed on any class of vehicles is found to exceed the amount authorized by state law, the amount shall be reduced to the amount set by state law and not invalidated.

Section 4. REFERRAL OF ORDINANCE TO VOTERS.

This Ordinance is referred to the voters of Yamhill County at the election to be held on November 4, 1997.

Section 5. EFFECTIVE DATE.

This ordinance shall become effective only if approved by the voters at the November 4, 1997 election, and, if approved, the effective date shall be on the date county elections officer issues a certification of passage under ORS 254.545(2), and further the actual imposition of this fee shall be subject to filing with the Department of Transportation and execution of intergovernmental agreements as provided by State law. If this ordinance is not approved by the voters at the November 4, 1997 election, it shall not become effective and shall be null and void.

DONE at McMinnville, Oregon this 4th day of September, 1997.
