YAMHILL COUNTY BOARD OF COMMISSIONERS COVERSHEET

DATE: December 18, 2025
TO: Board of Commissioners
FROM: Mark Lago, Public Works Director
RE: Proposed No Trucks over 10,000 pounds sign on Corral Creek and Renne Roads

BACKGROUND:

Renne Road has deteriorated in the last couple of years and Corral Creek Road is not far behind due to the excessive number of loaded super dump trucks using the cut through from Hwy 99 to Corral Creek Road, to Renne Road to get to the Renne Pit to deposit excavation spoils.

Red arrows show current truck cut through route to Renne pit.

Blue arrows show alternate truck route to Renne pit.

Public Works is recommending posting signs to limit trucks over 10,000 pounds so we can get the roads repaired.

STAFF RECOMMENDATION:

Approve the posting of signs to limit trucks over 10,000 pounds on Corral Creek and Renne Roads so Public Works can get the roads repaired.

FISCAL IMPACT:

Approximately \$500.00 (signs, posts, and footings) will come out of the Road Fund

ATTACHMENTS:

Approved by the Yamhill County Board of
Commissioners on 12/18/2025
via Board Order 25-400.
