ORDINANCE No. 759

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat for the transaction of county business in formal session on February 16, 2005 commissioners Mary P. Stern, Leslie Lewis and Kathy George being present.

THE BOARD MAKES THE FOLLOWING FINDINGS:

A. The policy and intent of the Oregon Legislature is that preparations for emergencies and governmental responsibility for responding to emergencies be placed at the local government level. Further, its policy and intent is that the state should prepare for emergencies, but not assume authority or responsibility for responding to such an event unless the appropriate response is beyond the capability of the local government.

B. The purpose of this Ordinance is to respond to Legislature’s policy and intent; to reduce the vulnerability of Yamhill County to loss of life, injury to persons or property and human suffering and financial loss resulting from emergencies; and to provide for recovery and relief assistance for the victims of such occurrences.

C. Further, this Ordinance is intended to provide notice of conditions and circumstances that define or describe when an emergency may be declared; to provide a procedure to minimize injury to persons and property; to preserve the established civil authority in the event that a state of emergency exists within the unincorporated areas of Yamhill County or within the incorporated areas of Yamhill County if assistance is requested by such incorporated jurisdictions, or if those jurisdictions are unable to request assistance; and to provide a post-evacuation hearing process.

D. This Ordinance is adopted pursuant to the authority granted to the Board by ORS 203.035 and ORS Ordinance 401, especially ORS 401.305 to 401.335. NOW, THEREFORE,

THE YAMHILL COUNTY BOARD OF COMMISSIONERS HEREBY ORDAINS AS FOLLOWS:
