IN THE BOARD OF COMMISSIONERS OF THE STATE OF OREGON

FOR THE COUNTY OF YAMHILL

SITTING FOR THE TRANSACTION OF COUNTY BUSINESS

In the Matter of an Ordinance Amending Ordinance 749, as amended, Relating to Implementation of Ballot Measure 37 (ORS 197.352), Declaring an Emergency; Effective December 1, 2006

ORDINANCE 796

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat for the transaction of county business in formal session on November 29, 2006, commissioners Leslie Lewis, Kathy George and Mary P. Stern being present.

THE BOARD MAKES THE FOLLOWING FINDINGS:

A. On November 2, 2004, the voters of the State of Oregon approved Ballot Measure 37 which added provisions to Oregon Revised Statutes (ORS) Chapter 197 to require, under certain circumstances, payment of just compensation to landowners if a government land use regulation reduces property value. In lieu of payment of just compensation, Ballot Measure 37 authorizes the governing body of a local government to modify, remove or not apply the land use regulation.

B. Ballot Measure 37 became effective December 2, 2004. Ballot Measure 37 permits owners of private real property to apply for compensation for the reduction of property value resulting from imposition of a land use regulation that restricts the use of private real property and the government has 180 days from such application to deny or pay the claim or take action to modify, remove, or not apply the regulation on the property. Since Ballot Measure 37 does not set forth a specific process for review of applications for compensation, it is in the best interests of Yamhill County to establish such a process in order to be able to assess such claims in a timely manner.

C. Ballot Measure 37 was codified by the 2005 Legislative Assembly as ORS 197.352. The provisions of Ordinance 749, adopted December 2, 2004, implemented ORS 197.352. Ordinance 749 was adopted to establish a prompt, thorough and consistent process that enables property owners to present their legitimate Ballot Measure 37 claims consistent with the Oregon and U.S. Constitutions; enable persons with claims to have an adequate and fair opportunity to present them to the County; preserve and protect limited public funds; and establish a record of decision capable of review by courts of competent jurisdiction.

D. Ordinance 762 was adopted March 2, 2005 to require notice of Measure 37 claims to surrounding property owners.
E. Ordinance 749 currently provides, in Section 7(2), that Measure 37 relief is not transferrable. In anticipation of possible legislative or judicial action to make Measure 37 relief transferrable, the Board believes Ordinance 749, as amended by Ordinance 762, should be amended to provide that Measure 37 relief is transferrable only to the extent provided by law. Other technical amendments are also appropriate. NOW, THEREFORE, 

THE YAMHILL COUNTY BOARD OF COMMISSIONERS HEREBY ORDAINS AS FOLLOWS:

Section 1. Form of amendments. In this ordinance, language to be deleted from Ordinance 749, as amended by Ordinance 762, is in [brackets and bold print], while language to be added is in italics and bold print.

Section 2. Amendments to Section 1 of Ordinance 749. Subsection (2) of Section 1 of Ordinance 749, as amended by Ordinance 762, is amended as follows:

(2) Enforced. For purposes of this ordinance only, a land use regulation is "enforced" when one of the following events occurs:

(a) The County denies a land use application seeking permission to use an owner's property in a specific way because a land use regulation does not allow the use; or

(b) For applications physically received by the Department of Planning and Development not later than 5 p.m. on December 4, 2006, the Planning Director has issued a written statement determining that the use of an owner's property in a specific way is not allowed by a land use regulation; or

(c) An owner has been cited into Circuit Court by the Code Enforcement Officer for violating a Yamhill County land use regulation.

Section 3. Amendments to Section 2 of Ordinance 749. Section 2 of Ordinance 749, as amended by Ordinance 762, is amended as follows:

(1) An applicant seeking to file a claim under this ordinance shall be the present owner of the property that is the subject of the claim at the time the claim is submitted. An applicant shall submit an application to the Planning Director consisting of all of the items set out in this section. The Planning Director may waive the submission of any materials if not deemed applicable to the evaluation of the specific claim. Within 20 working days of the date the application is first submitted, the Planning Director

ORDINANCE 796 Page 2
Director may require additional information beyond that listed in this section where necessary to address approval criteria for the claim. The applicant is responsible for the completeness and accuracy of the application and all of the supporting documentation. Unless specifically waived by the Planning Director, the following must be submitted:

(a) A completed application form with an application fee to at least partially cover the County costs of processing the application. The fee shall be set by Board Order.

(b) The name, mailing address, and phone number of the property owner filing the application, and of each of the other owners of the subject property and anyone with any interest in the property, including lien holders, trustees, renters, lessees, and a description of the ownership interest of each, if any, along with the signature of each of the other owners indicating consent to the application claim;

(c) A legal description and tax lot number of the subject property as well as a street address for the property (if any);

(d) A title report or information report issued by a title company licensed to do business in Oregon issued within 30 days of the application’s submittal, including title history and including a statement of the date the applicant acquired ownership of the subject property and showing the ownership interests of all owners of the property or, as an alternative to the title report, a [certified] copy of the latest [deed] instrument(s) granting all existing ownership interests to the owner(s) of the subject property signing the application;

(e) A statement specifically identifying the section of any Yamhill County land use regulation that allegedly restricts the use of the real property and allegedly causes a reduction in the fair market value of the subject property, including the date the regulation was adopted, first enforced or applied to the subject property;

(f) A statement of the relief sought by the owner, such as a monetary payment in a specific amount, removal of the applicable regulation, modification of the applicable regulation, or a decision to not apply the regulation to the subject property. If a modification is sought, a description of the desired modification must be included.

(g) A statement indicating the amount of the alleged reduction in the fair market value of the property by showing the difference in the fair market value of the property before and after application of the challenged regulation. If determined necessary by the Planning Director in the Director’s sole discretion, the written statement must include a copy of a written appraisal by an appraiser licensed by the Appraiser Certification and Licensure Board of the State of Oregon, addressing the requirements of the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004);
(h) A written statement addressing the criteria listed in Section 4 of this ordinance;

(i) Copies of any leases or covenants, conditions and restrictions applicable to the subject property if any exist that impose restrictions on the use of the property.

(2) Within ten business days of the filing of a claim under this section [on or after March 3, 2005 and within ten business days of the filing of a claim under this section before March 3, 2005], the Planning Director shall exercise best efforts to cause written notice of the claim to be mailed to owners of property whose property lines abut those of the claimant (“surrounding property owners”). The failure of a surrounding property owner to receive notice required by this subsection shall not effect the validity of any determination on a claim by the Board. The notice required by this subsection shall include at least the following information:

(a) The name and address of the claimant.

(b) The nature of the claim, including the relief or compensation sought.

(c) Criteria from Ordinance 749, as amended, that the Planning Director and Board are required to consider when acting on a claim.

Section 4. Amendments to Section 4 of Ordinance 749. Subsection (4) of Section 4 of Ordinance 749, as amended by Ordinance 762, is amended as follows:

(4) The Planning Director shall issue a recommendation to the Board [by the 45th day] as soon as reasonably practicable after the application was accepted and review was commenced as provided in Section 3. [Notice of the Planning Director’s recommendation to the Board shall be mailed to the applicant.]
challenged land use regulation(s) to avoid reducing the fair market value of the property and to allow the owner to use the property for a use permitted at the time the owner acquired the property. In those circumstances where the Board has decided to modify, remove or not to apply the challenged Yamhill County land use regulation but the use remains prohibited by a State of Oregon land use regulation, the Planning Director shall send notice of the Board’s decision to the Director of the Department of Land Conservation and Development. The notice shall include a statement that the County will not accept an application for a building permit related to the newly allowed use of the property until the [earlier of the following events: (i) County receives notice from [notice by] the Department of Land Conservation and Development that it concurs with the Board’s decision [, or (ii) a date 180 days from issuance of the Board’s decision where no response is made to the notice by the Department of Land Conservation and Development].

***

(5) [Within 5 days] As soon as reasonably practicable after the Board renders a decision, the County shall mail notice of the decision to the applicant. The notice shall include a summary of the decision.

Section 6. Amendments to Section 7 of Ordinance 749. Subsections (1) and (2) of Section 7 of Ordinance 749, as amended by Ordinance 762, are amended as follows:

(1) Pursuant to [Ballot Measure 37 (November 2, 2004)] ORS 197.352, and notwithstanding any other law, rule, ordinance, resolution, goal or other enforceable enactment of the County, and notwithstanding any other procedure for release, exception, or otherwise in Yamhill County ordinances or regulations, the Board is authorized to modify, remove, or not to apply a challenged land use regulation by Board Order pursuant to this ordinance when the Board, in its discretion, elects to do so rather than paying just compensation to the property owner.

[2] Any modification, removal, or discontinued application of a land use regulation shall be in effect during such time as the owner owns the subject property and shall automatically cease when the property is owned by a new owner. Following termination of ownership of the property by the owner that made application under this ordinance, the discontinued regulation or any subsequent amendments shall be reinstated and apply to the property. Thereafter, the new property owner shall be deemed to hold the property as a non-conforming use under the Yamhill County Zoning Ordinance No. 310, as amended.]
The following language supercedes and replaces Section 7(2) of Ordinance 749, as amended by Ordinance 762. This subsection is retroactive to December 2, 2004.

(a) The Board’s decision to modify, remove, or not apply a land use regulation shall in no way impact any obligation to demonstrate compliance with any regulations not expressly provided for in the decision or to obtain any required approvals or permits.

(b) The Board’s decision to modify, remove, or not apply a land use regulation shall be transferable to a future owner or otherwise run with the land only to the extent provided by law. A decision under this chapter does not confer any legal status on any use or development except that provided by law.

Section 7. Amended Ordinance Attached. A version of Ordinance 749, as amended by Ordinance 762 and this ordinance, is attached as Exhibit A. Exhibit A shall be referred to as the “Yamhill County Measure 37 Ordinance.” In the event there are conflicts between Exhibit A and Ordinances 749, 762 and this ordinance, then Ordinances 749, 762 and this ordinance shall control.

Section 8. Severability. All sections, subsections, and paragraphs of this ordinance are severable. If any section, subsection, or paragraph is ruled invalid for any reason by the court of last resort, the other parties of this ordinance shall be unaffected.

Section 9. Effective date: emergency clause. The first and second readings of this ordinance were made November 29, 2006. To carry out the intent of this ordinance an emergency is hereby declared to exist. In accordance with ORS 203.045(4) this ordinance shall take effect on December 1, 2006.

**Section 2. Application for Claim; Notice to Surrounding Property Owners.**

(1) An applicant seeking to file a claim under this ordinance shall be the present owner of the property that is the subject of the claim at the time the claim is submitted. An applicant shall submit an application to the Planning Director consisting of all of the items set out in this section. The Planning Director may waive the submission of any materials if not deemed applicable to the evaluation of the specific claim. Within 20 working days of the date the application is first submitted, the Planning Director may require additional information beyond that listed in this section where necessary to address approval criteria for the claim. The applicant is responsible for the completeness and accuracy of the application and all of the supporting documentation. Unless specifically waived by the Planning Director, the following must be submitted:

(a) A completed application form with an application fee to at least partially cover the County costs of processing the application. The fee shall be set by Board Order.

(b) The name, mailing address, and phone number of the property owner filing the application, and of each of the other owners of the subject property and anyone with any interest in the property, including lien holders, trustees, renters, lessees, and a description of the
ownership interest of each, if any, along with the signature of each of the other owners indicating consent to the application claim;

(c) A legal description and tax lot number of the subject property as well as a street address for the property (if any);

(d) A title report or information report issued by a title company licensed to do business in Oregon issued within 30 days of the application’s submittal, including title history and including a statement of the date the applicant acquired ownership of the subject property and showing the ownership interests of all owners of the property or, as an alternative to the title report, a copy of the latest instrument(s) granting all existing ownership interests to the owner(s) of the subject property signing the application;

(f) A statement of the relief sought by the owner, such as a monetary payment in a specific amount, removal of the applicable regulation, modification of the applicable regulation, or a decision to not apply the regulation to the subject property. (g) A statement indicating the amount of the alleged reduction in the fair market value of the property by showing the difference in the fair market value of the property before and after application of the challenged regulation. If determined necessary by the Planning Director in the Director’s sole discretion, the written statement must include a copy of a written appraisal by an appraiser licensed by the Appraiser Certification and Licensure Board of the State of Oregon, addressing the requirements of the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004);

(h) A written statement addressing the criteria listed in Section 4 of this ordinance;

(i) Copies of any leases or covenants, conditions and restrictions applicable to the subject property if any exist that impose restrictions on the use of the property.

(2) Within ten business days of the filing of a claim under this section, the Planning Director shall exercise best efforts to cause written notice of the claim to be mailed to owners of property whose property lines abut those of the claimant (“surrounding property owners”). The failure of a surrounding property owner to receive notice required by this subsection shall not effect the validity of any determination on a claim by the Board. The notice required by this subsection shall include at least the following information:

(a) The name and address of the claimant.
(b) The nature of the claim, including the relief or compensation sought.

(c) Criteria from Ordinance 749, as amended, that the Planning Director and Board are required to consider when acting on a claim.

Section 3. **Completeness Review.** The Planning Director shall review a claim application and, within 20 working days of its receipt, notify the applicant as to whether the application is complete. If the Planning Director determines that the application is complete, the Planning Director shall begin the application review process. If the Planning Director determines that the application is incomplete, the county shall advise the applicant in writing of the necessary missing information. Within 10 days of the mailing of a notice of missing information, the applicant shall submit to the county a written statement indicating either an intent to submit the missing information or a refusal to submit the missing information. A statement indicating an intention to submit missing information shall constitute a waiver of the 180-day deadline contained in the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004) for a period of time equal to the time it takes to supply the missing information. The County shall accept the application and begin review either:

1. Upon receipt of all of the missing information requested by the County;
2. Upon receipt of a written statement from the applicant indicating that the missing information will not be provided; or
3. Upon the 20th day after mailing the notice of missing information referred to above, if the applicant has not responded.

Section 4. **Application Review and Recommendation.**

1. The Planning Director shall make an initial determination as to whether the application is a valid Ballot Measure 37 claim that qualifies for compensation consideration by the Board. An application qualifies for compensation consideration if the applicant has shown that all of the following criteria are met:

   (a) Yamhill County has either adopted or enforced a land use regulation that restricts the use of private real property or any interest therein;

   (b) The restriction on use has the effect of reducing the fair market value of the property or any interest therein, upon which the restriction is imposed;

   (c) The challenged Yamhill County land use regulation was adopted, enforced or applied after the current owner of the property (the applicant) became the owner; and

   (d) The challenged Yamhill County land use regulation is not an exempt land use regulation as defined in Section 1 of this ordinance.
(2) If an application fails to meet one or more of the criteria in subsection (1) of this section, the Planning Director shall issue a written recommendation to the Board recommending denial of the claim application and explaining the reason(s) for determining that the application does not qualify for compensation consideration.

(3) If the claim application meets all of the criteria in subsection (1) of this section, the Planning Director shall issue a written recommendation to the Board recommending acceptance of the claim application as a valid claim and explaining the basis for the Director's recommendation. The recommendation shall include at least the following components:

(a) The Planning Director's determination of the amount of compensation to which the applicant may be entitled as a result of a reduction in property value due to the imposition of a land use regulation; and

(b) The Planning Director's determination whether it is necessary to modify, remove or not to apply a Yamhill County land use regulation to avoid owner entitlement to compensation under the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004). The determination shall include a recommendation on the extent of adjustment of the land use regulation needed to avoid the entitlement to such compensation; and

(c) The Planning Director's determination that the public interest is served by modifying, removing or not applying the subject land use regulation in lieu of paying compensation; taking into consideration the financial resources of the County for the payment of such claims.

(4) The Planning Director shall issue a recommendation to the Board as soon as reasonably practicable after the application was accepted and review was commenced as provided in Section 3.

Section 5. **Board Consideration of Planning Director's Recommendation.**

(1) Within 15 days of the referral of the Planning Director's recommendation to the Board, the Board shall consider the recommendation at an informal session solely for the purpose of determining whether it will hold a public hearing prior to adopting a final order on the application. No public hearing shall be held unless a majority of the Board votes to schedule a public hearing. If a public hearing is scheduled, staff shall comply with the requirements of subsection (2) of this section. If no public hearing is scheduled, the Planning Director's recommendation shall be considered at a later formal Board session as either a consent or non-consent agenda item. Public comment at the time of the non-consent agenda action item shall be allowed only with the consent of a majority of the Board.

(2) If a public hearing is scheduled as provided in subsection (1), written notice of the recommendation and hearing date shall be mailed to all of the following at least 15 days prior to the hearing:
(a) The applicant;

(b) Other owners of the subject property and anyone with any interest in the property, including lien holders, trustees, renters, or lessees, as listed on the application;

(c) Owners of record on the most recent property tax assessment roll of properties located within 500 feet of the perimeter of the subject property; and

(d) Other agencies or interested parties as determined by the Planning Director.

(3) The failure of any person to receive notice shall not affect or invalidate any proceedings under this ordinance.

(4) The notice shall include all of the following:

(a) The street address or other easily understood geographical reference to the subject property;

(b) The criteria for the decision;

(c) The place, date, and location of the hearing;

(d) The nature of the application and the proposed use or uses sought by the owner if the identified land use regulation is waived or modified with respect to the subject property;

(e) A general explanation of the requirements for submission of testimony and the procedure for conduct of hearings; and

(f) The name and telephone number of a county contact person.

Section 6. Board Consideration and Decision: Applicable Procedure Where Use Also Barred by State Land Use Regulation.

(1) Upon conclusion of consideration of a claim application, and not later than 180 days after a claim application is filed with the Planning Director, the Board shall issue a written decision by Board Order that declares:

(a) The claim is not a valid claim; or

(b) The claim is a valid claim and the amount of compensation, if any, due to the owner(s) of the subject property; or
The claim is a valid claim and the County will, as of the date of the final Board decision, modify, remove, or choose not to apply the challenged land use regulation(s) to avoid reducing the fair market value of the property and to allow the owner to use the property for a use permitted at the time the owner acquired the property. In those circumstances where the Board has decided to modify, remove or not to apply the challenged Yamhill County land use regulation but the use remains prohibited by a State of Oregon land use regulation, the Planning Director shall send notice of the Board’s decision to the Director of the Department of Land Conservation and Development. The notice shall include a statement that the County will not accept an application for a building permit related to the newly allowed use of the property until the County receives notice from the Department of Land Conservation and Development that it concurs with the Board’s decision.

Where more than one regulation is being challenged, the Board may provide for a combination of the two remedies listed above in subsections 1(b) and 1(c).

The Board decision shall be based upon consideration of whether the public interest would be better served by compensating the applicant, or by modifying, removing, or choosing not to apply the challenged Yamhill County land use regulation(s) to the subject property. The final Board decision shall include a statement of the facts relied upon in rendering the decision and explains the justification for the decision based upon the criteria set forth in this subsection.

Provided all components of this section are satisfied, nothing in this section prevents the Board from accepting the Planning Director’s written recommendation as the final Board decision.

As soon as reasonably practicable after the Board renders a decision, the County shall mail notice of the decision to the applicant. The notice shall include a summary of the decision.

The County shall record notice of the Board decision in the county deed records.

Section 7. **Board Decision Effect.**

Pursuant to ORS 197.352, and notwithstanding any other law, rule, ordinance, resolution, goal or other enforceable enactment of the County, and notwithstanding any other procedure for release, exception, or otherwise in Yamhill County ordinances or regulations, the Board is authorized to modify, remove, or not to apply a challenged land use regulation by Board Order pursuant to this ordinance when the Board, in its discretion, elects to do so rather than paying just compensation to the property owner.

The following language supercedes and replaces Section 7(2) of Ordinance 749, as amended by Ordinance 762. This subsection is retroactive to December 2, 2004.
(a) The Board's decision to modify, remove, or not apply a land use regulation shall in no way impact any obligation to demonstrate compliance with any regulations not expressly provided for in the decision or to obtain any required approvals or permits.

(b) The Board's decision to modify, remove, or not apply a land use regulation shall be transferable to a future owner or otherwise run with the land only to the extent provided by law. A decision under this chapter does not confer any legal status on any use or development except that provided by law.

(3) If the Board grants an Order modifying, removing, or discontinuing application of a challenged land use regulation as a means to avoid having to compensate, or as a means to limit compensation to, an owner under the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004), and if, based on a final appellate court interpretation or invalidation of the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004), in the same or any other case, the applying owner was not entitled to compensation in relation to the modified, removed, or discontinued challenged land use regulation, then the Order shall be deemed to have been invalid and ineffective as of and after the date of the Board's Order. Any such invalidity and ineffectiveness shall be limited as necessary to avoid the County being required to compensate the owner under the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004).

(4) Any modification, removal, or discontinued application of a challenged land use regulation Order granted under this ordinance shall terminate automatically on the occurrence of any event which determines the owner or future owner of the private real property that is the subject of the modified, removed, or discontinued application of a challenged land use regulation Order would not be entitled to just compensation under the provisions added to ORS Chapter 197 by Ballot Measure 37 (November 2, 2004) in relation to the land use regulation made inapplicable by the Board Order issued in response to the application.

Section 8. Severability. All sections, subsections, and paragraphs of this ordinance are severable. If any section, subsection, or paragraph is ruled invalid for any reason by the court of last resort, the other parties of this ordinance shall be unaffected.

Section 9. Effective date; emergency clause. The first and second readings of this ordinance were made November 29, 2006. To carry out the intent of this ordinance an emergency is hereby declared to exist. In accordance with ORS 203.045(4) this ordinance shall take effect on December 1, 2006.

[End of Yamhill County Measure 37 Ordinance effective December 1, 2006.]
