**Section 4 AGENDAS**

4.01 Except when the presiding officer or a majority of the Board determines that good cause exists for a different time, the agenda for a formal session of the Board shall be set at the 2:00 p.m. informal session on the Monday preceding the formal session.

4.02 Any member of the Board may place an item on an agenda for any meeting whether a formal or informal session. The presiding officer shall determine the order of the agenda. At the meeting any item may be taken out of order upon consensus of the Board.

4.03 Except for public hearings and the adoption of the county budget, those items on the agenda that are considered routine by all Board members present at the informal session in which the agenda is set for the formal session may be classified as “consent agenda items.” At the time of the formal session, any consent agenda item may be removed from the consent agenda by any Board member. If an item is removed from the consent agenda, the item shall be considered separately by the Board following action on the consent agenda. Following an opportunity for any Board member to remove any item from the consent agenda, a motion to approve the consent agenda may be made. Following the motion, the consent agenda may be approved by a single vote, and all items on the consent agenda shall be considered approved. Consent agenda items shall appear as separate items in the minutes.

4.04 A matter may be considered as an “add-on item” by the Board at any scheduled meeting even though the matter was not included on the agenda for the meeting. A majority of the Board may approve, disapprove or continue the add-on item.

5.03 In the event of a tie vote, the item voted upon shall be continued to the next regularly scheduled meeting of the same type to allow the absent commissioner to break the tie. However, if the tie vote is the result of an abstention of a member due to a conflict of interest, the matter will not be continued and will be deemed denied. Prior to the vote to break the tie, no further evidence or public comment shall be allowed unless a majority of the Board agrees to further evidence or public comment.

Section 6  MANNER AND PROCEDURE FOR ADOPTING ORDERS, RESOLUTIONS, AND ORDINANCES

6.01 Those decisions of the Board requiring written documentation shall be in the form of either board orders, resolutions or ordinances, to be used as indicated in this subsection:

6.06 The minutes shall reflect the vote of each member of the Board on the adoption of a board order, resolution, or ordinance.

The Board may remove members of advisory committees, boards, task forces, and commissions when the Board determines in its sole discretion that removal is in the best interest of the county.

7.02 When a vacancy occurs on an appointive committee, board, task force, or commission, by resignation, expiration of term, or for any other reason, notice of such vacancy shall be placed on the formal Board session agenda unless circumstances warrant an immediate appointment as determined by the Board. The Board may solicit nominations or applications for such position from the public for a period established by the Board. The Board may make an appointment upon nomination by any member of the Board.

The commissioner who expends funds under this subsection shall declare the expenditure for the record of the next formal or informal session, including the total amount of the expenditure and the reasons for the expenditure.
