Dear Fellow Yamhill County Voter,

This is your Yamhill County Voters' Pamphlet for the May 18, 2021, Special District Election. This pamphlet provides a forum for candidates to introduce themselves.

Candidate statements are included in this pamphlet after paying a fee.

We print the text of each statement exactly as the author submitted it. Text is cut off after exceeding the maximum number of words allowed. The law forbids us from making corrections for punctuation, grammar, syntax errors or inaccurate information. Those submitting statements for the voters' pamphlet are solely responsible for their content. We cannot create content for those who do not submit statements.

The Secretary of State draws a random alphabet sortation unique to each election. Candidates appear in that order both in this pamphlet and on the ballot.

This pamphlet includes all races in the county for this election. However, your ballot will only include those relevant to you.

There is at least one "Official Ballot Drop Site" located in each city in the county. Look for the list of Official Ballot Drop Sites in this pamphlet or on our website. You may deposit your ballot in any drop site listed, 24 hours per day.

Ballots deposited in an Official Ballot Drop Site get to us postage-free.

The State of Oregon now supplies you with a **postage-paid envelope** for returning your ballot, but **we must receive your ballot before 8:00 p.m.** on Election Day.

Remember, **postmarks do not count**. Even though your ballot can be mailed back to our office in the provided postage-paid envelope, your ballot must be in an Official Ballot Drop Site or an Oregon County's Elections Office by **8:00 p.m.** on Election Day, **May 18, 2021**.

We invite any voter who needs assistance in voting because of any disability to contact us. We will make every effort to meet your voting needs. Please contact us at your earliest convenience.

Sincerely,

A handwritten signature in black ink that reads "Brian Van Bergen". The signature is stylized and cursive.

New Program Provides Ballot Status Alerts!

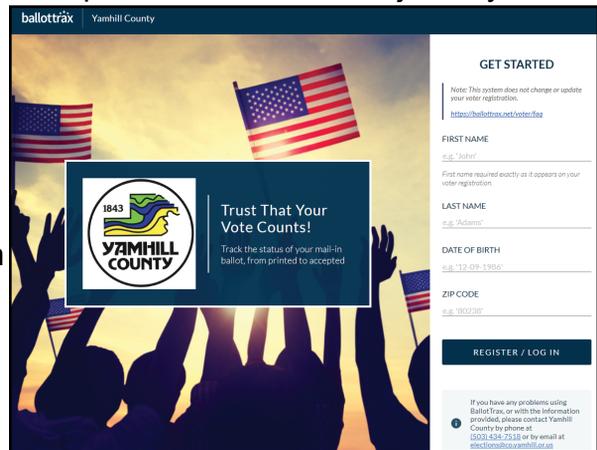

Would you like to receive a text or e-mail message when your ballot has been received by our office?

The Yamhill County Clerk, in partnership with i3Logix, is offering a program to Yamhill County voters that provides notifications regarding their ballot.

Participating voters will receive alerts at different points on their ballot's journey. Text, e-mail or voice alerts will tell voters when the Yamhill County Elections Office has mailed their ballot and when a completed ballot has been received at the Elections Office.

Alerts will indicate that your ballot has been accepted, whether it has a non-matching signature or another defect that requires further action by you, the voter.

There is no charge to Yamhill County voters to sign up for this service*. Voters will have the option of receiving text, e-mail or voice alerts. Sign up today to begin receiving messages.

Dear Voter,

I am currently the Portland Community College Board

President. PCC is Oregon's largest post-secondary academic institution, serving 70,000 students. Your support of my re-election will ensure that I continue my service helping PCC provide access to affordable quality education, while advancing economic development in our community and region.

I have supported equitable student success policies to improve access, retention, and completion rates for all students, especially low-income students and students of color. As Chair, I lead the board in advancing PCC's DEI work in strategic and measurable ways.

In my second term, I hope to:

1. Support policies that engage, empower, and strengthen the skills of staff and faculty.
2. Work with college leadership on transforming PCC's learning culture to an environment of belonging that facilitates equitable student success.
3. Support the development and creation of sustainable Career and Technical Education (CTE) programs that lead to attainment of living wage jobs and help strengthen the state's workforce which is devastated by the pandemic.

I am honored and excited to continue adding my voice to support PCC's mission.

Endorsed by:

1. Ellen Rosenblum, Oregon Attorney General
2. Kathryn Harrington, Chair, Washington County Board of Commissioners

Occupational Background: Farm Manager for Evergreen Agricultural

Educational Background: Dayton High School, general, Diploma; Blue Mountain Comm College,

Prior Governmental Experience: Current member of the Dayton School Board; Served Two terms on the City of Dayton Budget Committee

As a longtime resident of Dayton, growing up my family farmed hazelnuts in rural Dayton and I attended and graduated from the Dayton School District. My wife and I raised three daughters in Dayton, who also all attended the Dayton School District. Although I no longer have children in the School District, I feel it is important to pass on those values that I learned growing up in this great community. I truly believe that it takes a "village" to raise a child.

As a community we need to make sure that our school district is open and honest, a safe and happy place to learn and work. We need to attract the best possible candidates for our teaching positions, to make sure our children learn from the best. This means competitive salaries and good benefits for our staff, continuing our high graduation rate and cultivate good parent, student and teacher relations.

I would like to continue to serve on the Dayton School Board and would appreciate your vote!

Prior Governmental Experience: School Board, Dayton School District, 2003 to 2015; School Board, Dayton School District, October 2019 to Present; Budget Committee Member, Dayton School District, 2003 to Present

I believe in a quality education for all students with academic options that allow each student to meet their individual needs. Everyone has a right to an education delivered in a safe, supportive environment that encourages all students to learn and be prepared for life after graduation. It is the responsibility of the Dayton School Board to establish goals and priorities to successfully guide the district's instructional practices and ensure sound financial management. I graduated from Dayton, we have raised our children in Dayton, and we own and operate a business in Dayton. I am committed to the Dayton community and to the students of the Dayton School District. I served on the school board from 2003 to 2015 and I am proud of what we accomplished during those years. When an opening on the board occurred in late 2019, I knew my previous board experience would be an asset to the team. I am honored to be asking for your vote to continue serving the community and students of the Dayton School District.

Hello voters,

I'd like to introduce myself. I've always wanted to serve my community and I am now stepping up to do so. Please give me the opportunity to give back to an education focused community that has given so much to me. Our district staff does so much more for our children than most of us will ever know. There are complex and important issues to consider in decision making.

We have the opportunity to work with a brand new Superintendent and put policies in place that will best serve McMinnville students and staff.

- I have an established professional skill set to incorporate the consensus, needs, and priorities of the community into strong policy.
- I have a strong background in setting budgets, goals, and evaluating progress.
- I am familiar with this community. My wife and I grew up attending these same schools. We chose to move back to this great town of McMinnville to raise our children in.
- I am motivated to help McMinnville School District continue to be the best that it can be for my children and for all of yours.

Sincerely,

As a Latino business owner in McMinnville and a father of two young children, I have a vested interest in our community and the quality of education we offer our children here.

It is important to have representatives on the school board that reflect the residents of McMinnville. I want to help our Hispanic/Latino community become more involved in our schools. It would be my honor to be a part of a system that helps create equitable educational opportunities and fosters a stronger community for us all.

I am running for school board to bring a fresh perspective to
the educational needs of the post-COVID world. Education plays
a role in all parts of my life and I would be honored to be part of
the decisions that will be made in the coming months and years.
I will work to encourage meaningful and productive community
involvement.

Me estoy postulando para un puesto en la junta escolar para
traer una nueva perspectiva a las necesidades educativas de la
comunidad después del covid-19. Soy madre de niños pequeños
y anteriormente era maestra. Trabajaré para alentar participación
comunitaria significativa, productiva y inclusiva.

A Parent's Perspective: My children are currently kindergarten
and preschool age. Returning to in-person school should involve
social-emotional practice.

An Experienced Teacher's Perspective: As a teacher, I worked
closely with my administration on School Improvement Plans, hiring
committees, and the union negotiating team. I contributed to the
creation of specialized education plans, ensuring the success of all
students regardless of culture, language, or skill level. I will work to
balance the specific needs of students, parents, and teachers.

A Progressive Perspective: All students, regardless of race, color,
religion, gender, gender expression, sexual orientation, age, national
origin, language spoken, housing status, or disability, deserve
high-quality education. Students who have experienced trauma or
are from a vulnerable population need more support to help create
success in school and, therefore in life. I am passionate about
sustainability and racial justice.

Every student has the right to a quality education. If reelected, I
will continue to support the advances made in the district to date.
Furthermore, I will promote early childhood learning programs and
increased Pre-K classrooms. I will support initiatives to reduce
absenteeism, to continue to raise standards and to ensure students
are ready for the workplace and able to earn a family-living wage.
I will seek to offer students more educational and employment
options through apprenticeships, internships and business/student
partnerships. Thank you for your continuing support. Your vote is
appreciated.

I am a proud parent of two MHS Graduates.

Over the last five years I have had the privilege to serve on the McMinnville school board. This has been a valuable experience bringing me a greater understanding of the schools. In the last five years, I have visited every school, spending time in classroom and with our dedicated and passionate teachers and administrators.

McMinnville School District is among the highest performing school districts in Oregon based on student proficiency rates on statewide assessments, the graduation rate, and the other key indicators of student's achievement. The district is also recognized as a state leader in educational innovation.

As a school board member, my goal is to build on this success while continuing to fight to ensure these opportunities are available to all students regardless of race, ethnicity, or gender.

Prior Governmental Experience: Newberg School Board, 2012 - present; Planning Commissioner, Dundee (2000 - 2013)

I have consistently advocated for:

- **An entrepreneurial service-oriented spirit among administrators and staff.** We are, in fact, competing with other schools. (It's a good thing!)
- **Listening to all voices.** The Board can't shut itself into a box with administrators and teachers. Our duty runs to them, but also to taxpayers, students, and parents of every ethnicity and income level.
- **Prudent finances.** I have consistently urged setting aside more resources for future needs, especially looming PERS obligations. In 2018 we adopted a policy mandating prudent ending fund balances each year. Our finances improved, giving us the resources to respond to COVID (e.g., providing internet hot spots and computers to families who needed them) and a strong credit rating, keeping our bond interest costs lower.
- **High standards,** including improved graduation rates and achievement scores. We have reached new highs in grad rates - but there's more to do, including clearer achievement goals, and better progress metrics.

Goals going forward:

- **New and better curriculum:** we have been lagging in keeping our curriculum fresh.
- **Responsible stewardship of the bond.**
- **Continuing Zoom access and translation of board meetings post-Covid.**
- **A Board that can disagree without eroding trust.** That is the best recipe for highly effective groups. Humans are designed to disagree. It is a gift: disagreement drives learning, discovery, and improvement. Disagreement can be toxic, yes - when it breaks trust. But there is also such a thing as toxic agreement.
- **Equity in student opportunity:** I supported the district's controversial Equity Resolution last summer, and volunteered for the Board's Equity Committee. America promises equal opportunity for all. Our schools can't break this promise. Every student will do better when no student is left behind.

Thank you for your continued support.

Fellow citizens, I have lived in Newberg for nineteen years and raised four wonderful children that have gone through the Newberg School system. Through my children I have witnessed growth and success in programs such as sports, music, theatre, and occupational classes. We have also seen setbacks and heartbreak through the loss of young life due to the rise in depression, anxiety, and suicide. Respect for self and others is fading, while faith in a higher power has been mocked and scorned.

Dangerous ideas such as the 1619 Project and critical race theory have no place in our society, least of all our schools. These ideas threaten to divide and segregate our communities by shaming people for their heritage and the color of their skin. Social issues should be a launching pad for constructive dialog to build and strengthen our schools. The school board should support and encourage school programs that unify and strengthen family relationships. A strong, loving, and supportive family will create a stronger society of people who build better communities.

School budgets need better accountability. We need to find ways to do more with less. A strong community will rally to the needs of its schools and programs without overburdening the taxpayer.

There is a growing number of students who graduate not knowing how to create and manage a budget, understand economics, know and understand their history, have little or no work experience, and are generally unprepared for the world. The social ill of something for nothing is running rampant. Hard work, resilience, and perseverance through failure is its cure. Expanding requirements in life skills curriculum is a must, so a future with a positive outlook replaces confusion and uncertainty. Let us work together and create a better educational system.

ABOUT ME:

I am the eldest of four children and proud daughter to hardworking immigrants. Beating the odds as a first-generation college Latina graduate was possible because of the public education I received from Newberg.

For this reason, I am motivated to bridge any gaps to ensure all parties are heard and understood. I'm determined to eliminate disparities for students across our district and will center their needs and those of their families when making decisions.

I've had the privilege to serve the Newberg School Board since 2019 and I'm proud to be changing the face of leadership. School boards should represent the students they serve, and I am happy to move us in that direction.

As Deputy Director, of Capaces Leadership Institute, I've demonstrated financial decision-making abilities. I advocated for the Bond, and I'm confident it will continue to enrich students' experience.

Soy la hija mayor de cuatro hijos y me siento orgullosa de tener padres trabajadores e inmigrantes. Graduarme de la universidad como latina, y estudiante de primera generación fue posible por la educación pública que recibí de Newberg.

Quiero que escuchemos y entendamos a todos. Me comprometo a eliminar las desigualdades que existen y continuare centrandome las necesidades de los estudiantes y sus familias en las decisiones que tome.

Ha sido un privilegio desde el 2019, ser miembro de la mesa directiva del distrito escolar y un honor el empezar a cambiar la cara del liderazgo. La mesa directiva tiene que representar a los estudiantes del distrito y me alegra haber empezado a movernos hacia esa dirección.

My Wife and I moved to Newberg 15 years ago because we wanted a wonderful place to raise a family. Our Daughters are now 12 and 14 years old and Newberg continues to be a great town to live in. The work that the Newberg School District does is vital to keeping Newberg a vibrant, livable city.

I have worked hard to help create a Board that solicits input from all members of our community and uses that input to make the best decisions possible for all of our Students. I have pushed our Board to be open and transparent in our decision-making processes so the Community can be active and informed partners in the work of the District.

I am proud to have helped the Board achieve:

- Adopted policy requiring a 7% minimum ending fund balance.**
Brings stability and predictability to District Finances, ensuring that your tax dollars are being well spent.
- Hired new Superintendent Joe Morelock.**
Dr. Joe has done fantastic work for the District and has brought in numerous Community partners to support our Students.
- Updated District Strategic Plan.**
Involved Community Members in helping guide the work of the District.
- Passed a \$141 million School Bond.**
Prepares the District so the future students are prepared to navigate the 21st Century

It is an honor to represent you on the Newberg School Board. I ask for your vote, so I can continue to help the District provide all students with an outstanding education.

Since my family and I moved here six years ago we've watched Newberg become increasingly diverse, and it is our duty to welcome all people to our community.

My goal for running for Newberg School Board, zone 5 is simple — I want to advocate for ALL students.

Equity: Equity work is at the heart of everything I do. If elected to NSB, my primary goal will be to ensure ALL students have access to an education free of harassment and discrimination.

Recruitment: To reach our equity goals, our schools must reflect the diversity in our community. If elected to NSB, I will work to ensure that the recruitment and retention of BIPOC teachers, administrators and staff is a priority for the district.

Communication: If elected to NSB, I will seek input from diverse voices to make equitable decisions for the district. I will listen to students, parents, and community members regarding their wishes and their concerns. I will view my role as a partnership where we all work together towards the best possible outcomes for our students.

I am dedicated and passionate and I am willing to do the hard work required of a school board member. I am ready to serve our students, I ask for your vote to do so.

Sherwood Experience

Edy Ridge Site Council: (2014 — 2019)

Bond Campaign Chairman (2016)
Bond Oversight Committee (2017 — 2020)
Sherwood Youth Soccer Club (SYSC) Coach: (2012 — 2017)

Westside Timbers Soccer Club Coach: (2015 — Current)

Sherwood Resident: 15 Years
Family: Wife and 3 Children (SHS, SMS, The Ridges)

I have been actively involved with the school district both within the school and engaging in key projects that are more district wide. This has given me the opportunity to develop many relationships with parents, teachers, district personnel and board members. Having been so involved, I should be able to quickly get up to speed if elected to the Board. I also really enjoy coaching soccer and working to foster a love of the game with our community youth.

Leadership

As a business owner with 20 locations in 7 states, being a leader is a necessity. I was also chair of the bond campaign to build the high school and improve our facilities and curriculum. In addition, I was VP for SYSC and currently manage the youth development program for Westside Timbers in Sherwood. All of this leadership experience has allowed me to learn the importance of listening. If elected, I will make decisions based on hearing out stakeholders on both sides of an issue. Then I will gather as much information as I can to make a decision that is, bottom line, best for our children's education. I have no hidden agenda and don't want to see politics in our school system. As it has been the past 7 years of service in supporting our schools and community, I want the best for our kids to give them the greatest opportunity for their future.

I hope to have your support and vote. Thank you.

It's been my honor to serve you on the Sherwood School Board. We have lived here for 23 years. Our kids graduated from Sherwood High School.

We are, and should be, proud of our schools. Sherwood has:

One of the top graduation rates in the state.

More college credit courses than any other district in Oregon.

Award-winning arts programs, which were maintained during tough budget times.

A dual Spanish/English immersion program at Hawks View Elementary.

Some of the most extensive career and technical education programs in Oregon, helping students explore careers in construction, welding, health care and more.

Thanks to the generosity of voters, we've finished over \$250 million in work at all of our schools, including a new state-of-the-art high school, brought in on time, under budget.

Having a strong school district is good for our kids, our families, and our community.

We still have work to do. Our kids are back in our buildings, on our sports fields and in our performance spaces. We have new investments in lower class sizes, new programs, and better mental health services. We have an opportunity to come back to a new and better world, where we do a better job of recognizing the rich diversity of our community, and do a better job of meeting every student's needs.

The challenges ahead are big, but our community is ready. I look forward to being a part of meeting those challenges, and ask for you vote for another term on the Sherwood School Board.

How to cast your vote:

1 Complete your ballot

To vote, completely fill in the box next to your choice.

To vote for a person not on the ballot, fill in the box next to the “write-in” line, then neatly write the name of the person on the line provided.

You do not have to vote on all contests. Those you do vote on will still count.

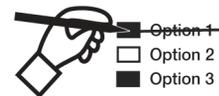

2 Check for errors

If you vote for more options than are allowed, your vote **will not count** for that contest.

If you think you made a mistake, call the Yamhill County Elections Office.

If you would like to change your choice on a contest, draw a solid line through your original choice, then make your next selection.

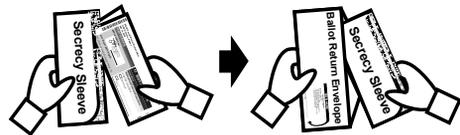

3 Optional: Use the “secrecy” sleeve

If you use the optional “secrecy” sleeve, put only your voted ballot (not another person’s ballot) inside. Then, put only your secrecy sleeve inside your return envelope.

(If we receive an envelope with more than one ballot inside, all enclosed ballots are rejected and not counted.)

You are not required to use the “secrecy” sleeve.

4 Sign your return envelope

You must sign your return envelope or **your vote will not count**.

We verify every signature on every envelope against the voter files.

5 Return your ballot

- By mail - stamps are no longer required (*ballot return envelopes in Oregon now use prepaid postage - see instructions/conditions on page 46*)
- At any Official Ballot Drop Site (*see list on Page 56 of this pamphlet*)
- At the County Clerk's/Elections Office

It would be an honor to continue to serve as a Yamhill-Carlton School Board member. It is important to provide all YC students with learning opportunities to achieve the knowledge and skills needed upon graduation to be successful in their future and be able to pursue a successful career path beyond K-12 education. Therefore, curriculum and instruction are critical pieces of a school district focus. In addition, financial stability provides a district with the ability to ensure a strong curriculum and instructional staff. Budget and finance together is the economic engine that supports the success of a school and school district. I believe when a school district has a healthy financial portfolio, the students, parents, and community members in turn support the schools. My varied and unique experiences allow me to have a deep understanding of the nuances and workings of a board. As a resident of CARLTON, I feel it is important for the town to have representation. Many of the board members are from Yamhill, and we need both towns represented. My experience, skills, and knowledge would be a continued asset to the board. I have enjoyed my time on the School Board and am interested
in continuing to serve as a School Board Member. My children
attend the schools in this district. I want their experience, and the
experience of all our students, to be positive and productive.

I value strong community, of which, schools, businesses and
churches are an integral part; I serve as a volunteer to strengthen
that community. Through my involvement in the schools, I have
noticed many positives in the school system: passage of the school
bond, fiscal responsibility, improved student achievement, and
increasing success in athletics. I desire to contribute to continued
success.

I envision YCSD as a safe and desirable place for students to be
their best selves, providing them with tools and opportunities for
future success. I desire to help build a positive school culture with
sound leadership, strong business and community partnerships,
active PTOs, high volunteerism, and promotion of sufficient funding
solutions. YCSD is making strides in these areas and there is room
to be even better.

I am a qualified applicant for appointment to the YCSD Board of
Directors. I have volunteered in the schools and served the School
Board as a Budget Committee Member and interim Director. I
understand many of the challenges that the School District is facing.
I have 16 years of accounting experience where I have developed
skills applicable to this School Board position. I am adept in analysis,

Educational Background: Antioch University, Seattle, Teaching-Mathematics, Master's Degree; Southern Oregon University, General Business, Bachelor of Science Degree; Southern Oregon University, Mathematics, Bachelor of Science Degree

Prior Governmental Experience: None

My experience as a parent, as an educator and as a community member motivate me to want to serve on the Yamhill-Carlton School Board. My strength is listening, and I am not impressed with fancy education ideas. Instead, I believe in supporting good teachers with good resources and having an active community that encourages youth to "be better." I have no other agenda besides helping girls and boys mature into quality women and men in our community. The Yamhill-Carlton schools have been improving and I look forward to serving on the school board that continues this trend.

Educational Background: Linfield College, Bachelor in Accounting

Prior Governmental Experience:

Precinct Committee Person for Yamhill City and Rural Precinct 12

Yamhill-Carlton School District has a strong mission to support our Students, teachers, staff and parents. I would like to take an active role in continuing to improve our local educational system. I am excited to utilize my work experience and talents to assist other team members on the school board in adequately planning for the challenges of future growth within the school districts limited budget.

I have years of experience in financial analysis, budgeting, and business contracts. I have served in many leadership roles in my past work experience. I have currently been voted in as a Precinct Committee person for the City of Yamhill and the Rural area. I currently have a Grandchild in the Yamhill-Carlton School District.

I am under the belief that children strongly benefit from the basic principals of: Reading, Writing and Arithmetic. The sciences such as chemistry, biology and physics are also very important. These are the skills that will advance our children in any path they desire to take in life. Also, learning our American History is critically important to keep our heritage deep in our hearts. I believe the Pledge of Allegiance should be recited everyday and prayer should be brought back into our schools.

I would appreciate your vote for me, Julia Howard, to serve on your School Board at Yamhill-Carlton School District Position 4.

Thank you

JaJetta Dumdi

Occupation: Director of Human Resources

Occupational Background: 20 years of experience in Human Resources

Educational Background: Portland State University, Business, Human Resources, Bachelors

Prior Governmental Experience: None

I grew up in Yamhill and am a proud graduate of YC High School. After receiving my bachelor's degree, my Husband and I returned to the area where we are raising our two young daughters, 1st and 4th graders, both students of the district. I have always been grateful for my public education and the adults in the district who nurtured my growth. I would be coming full circle if I had the opportunity to give back to the community by serving as a member of the school board. I have dedicated much of my volunteer work to education by volunteering in classrooms, serving on the Board of the Yamhill-Carlton Education Foundation, and mentoring our future workforce.

The experience I've gained as a Human Resources professional can also benefit me as a member of the school board. I have developed strong communication and listening skills, a focus on relationship building and the ability to effectively navigate through challenging times. Part of my professional role has also been heavily focused on partnering with local high school CTE programs and preparing students for career readiness, while helping parents and educators understand what employers are looking for in our future workforce.

I am passionate about ensuring the students of Yamhill-Carlton School District have the very best educational opportunities we can provide, while shaping them for a successful future. I am confident that my experience, knowledge, commitment, and Yamhill roots will serve our community well.

Jennifer Nordstrom

Occupation: Professor, Linfield University

Occupational Background: Professor of Mathematics, Linfield University (previously Linfield College) since 2000

Educational Background: University of Oregon, Mathematics, Ph.D.; University of Maryland, Baltimore County, Mathematics, M.S.;

University of Redlands, Mathematics, B.S.

Prior Governmental Experience: Currently on City of Carlton Planning Commission

Volunteer experience: Director of Yamhill-Carlton Intermediate School Math PLUS program which mentors students in math-based Science Technology Engineering and Math fair projects.

As a Carlton resident, and a proud parent with two children in Yamhill-Carlton schools, I am passionate about our children's education and their future.

I am an educator by profession. I have worked as a professor of Mathematics at Linfield College (now Linfield University) for the past 20 years. In that capacity, which includes service as Department Chair, I have had experience with grants, hiring committees, performance assessment, and school budgets, all of which have helped prepare me for service on this board.

From 2018 to 2020, I helped to lead national conversations about high school to career and college pathways in mathematics. I believe our district can benefit from improvements in education, both for students going to college and further vocational training, and those who will go directly into the workforce.

I am deeply connected to the district and committed to the success of all of our students. I am confident we can do more to attract and retain high quality teachers, improve communication between parents and the schools, and foster better outcomes for all students.

These are challenging times for our students and our community. I believe we can do more for our students to prepare them to succeed, both in school and in the future.

I am ready to go to work for all of us. I ask for your vote in the upcoming school board election.

Please vote Jennifer Nordstrom for YC Schools!

Original vs. Reissued/Replacement Ballots

New Carlton Fire District,
Director, Position 1

**Scott J
Bernards**

Candidate did not file a voters' pamphlet statement

Data is pulled 30 days prior

The vast majority of our ballot packets are prepared from voter registration data 30 days before the election. That is done so we have 10 days to prepare the packets before mailing them the 20th day before the election.

These ballot packets will have the word

“Original”

between the barcodes above your address

Changes & Updates happen

Voters move, change their name, change political party, spoil their ballot, etc. and that is normal and expected.

However, when that happens after the “Original” ballot packet was created, a new ballot packet is created and provided to the voter.

These ballot packets will have the word

“Reissued” or “Replacement”

between the barcodes above your address

“Original” Ballots Inactivated

Whether a voter receives a “Reissued” or a “Replacement” ballot, their “Original” ballot packet is inactivated.

- Inactivated ballots will be rejected.
- Always vote the most recent ballot you have received.

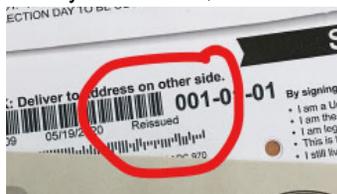

“Original” Ballots

When you see the word **“Original”** between the barcodes above your address, that means you are looking at the first ballot you were issued for that particular election.

“Reissued” or “Replacement” Ballots

When you see the word **“Reissued” or “Replacement”** between the barcodes above your address, that means you are looking at the second or later ballot you were issued for that particular election.

As a relatively new resident to Carlton, I would like to express how wonderful it is to live here. My wife and I chose to reside in Carlton, as we love the charm and tenor of this community. I want to help keep Carlton as charming as possible.

For those reasons I have volunteered for the Planning Commission, and was appointed in January.

And now I am running for the Fire Board. If elected, I will work to keep Carlton safe and charming.

Harry Cooley

Occupation: Retired
Occupational Background: Used my diploma in electronics from DeVry to work at Biskey's TV from 1976-1986. During a downturn in the economy, I worked for West County Sanitary Service from 1986-1989. I became an Electronics Technician at FCI Sheridan in 1989,

retiring with 21 years of service. Now I am managing our family home business, Hill Security Products.

Educational Background: Graduated from Sheridan High School and DeVry Institute of Technology (now DeVry University).

Prior Governmental Experience: Sheridan Planning Commission, Sheridan School Board, Sheridan School District Budget Committee, Sheridan City Council, and Mayor of Sheridan.

I have lived in Sheridan all of my life (except for my years attending college). I am proud of our community and feel it is very important to support it in any way I can. Volunteering has always been a large part of my life. Some of the ways in which I have supported our community are: Sheridan Fire District volunteer fire fighter 1972 — 1989, Emergency Medical Technician in 1973, Coordinator for the Sheridan Fire District Ambulance in the 1980's, being a leader in the Boy Scouts since the early 1990's, and being a board member for Camp Cooper and Camp Smith.

Occupation: Firefighter at Portland Airport Fire and Rescue and Small farm owner.

Occupational Background: Volunteered and completed internship with TVF&R and current volunteer with Sheridan Fire.

Educational Background: Chemeketa Community College, Sherwood High School, Diploma.

Prior Governmental Experience: None

I am a born and raised Oregonian. I have lived and worked in Sherwood, Dallas, Salem, and Sheridan my whole life. I have a solid work ethic and passion in making my community as strong as possible and have been doing so through work with the fire department. I have over 13 years of firefighter experience and have held positions on safety and training committees. Qualifications that make me ideal for this position include:

Integrity: I am always pushing myself to do what is best and adhere to consistent and honest morals, ethics and values.

Flexibility: I enjoy finding new and creative ways of tackling problems. Having the ability to be flexible allows for creative, forward thinking without becoming stagnant.

Communication: Being able to hear and understand what the community desires and to be able to reiterate that back is what public service is about.

Tirelessness: Don't start a project without the ability to see it through. Making sure that I prioritize appropriately and have a strong work ethic makes no job too large to tackle.

At the end of the day I am a community member and local business owner. With your vote I will make sure that the Sheridan Fire District will best serve the needs of Sheridan and its citizens. I sincerely look forward to having the ability to represent Sheridan with one of its biggest resources.

Our Fire District is an important example of our community working together to keep each other and our property safe. We are each ultimately responsible for our safety, but some things are hard to handle ourselves – things like fires, car crashes, and medical emergencies. By working together, with our Fire District, we can handle these emergencies. But I'm concerned about recent decisions.

Here's what's been going on:

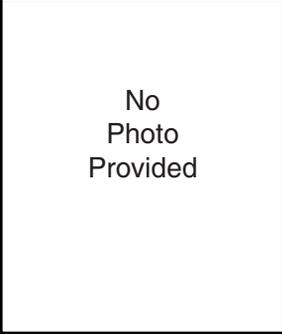

- In 2018 our District explored an arrangement with Dallas, S.W. Polk (Rickreall), and West Valley (Willamina) Fire Districts to share administrative costs and consolidate resources.
- This agreement was finalized in 2019, without Dallas.
- Shared leadership pushed the districts to consolidate.
- According to the District's 2019-2020 auditor, Sheridan serves as a banker for the other districts' purchases - a material weakness in District financial controls.
- Sheridan's funds and assets are difficult to keep track of between districts.
- Emergencies in our District covered by McMinnville while our equipment was in another district or unstaffed.
- A slim majority of the board put consolidation on the ballot in November, without West Valley. Were you consulted in a meaningful way before this important decision?

Sharing leadership and administrative staff with neighboring districts probably makes sense, while keeping funds and assets separate. We need to aggressively grow the volunteer firefighter ranks. And I believe this consolidation might not be right for our community. Certainly not so fast; this decision should be made intentionally and thoughtfully, in step with the community.

We need to do what's right for our community. I'm asking for your vote, to push to slow down this consolidation, work with the community, and truly consider and make decisions to efficiently and effectively serve all of us.

My vision is to use my 36 years of experience in the Fire Service as a Firefighter EMT/Paramedic and my knowledge of this area, to help move this district in a progressive, efficient, and forward thinking direction. To be part of the team with the Fire Board, Fire Administration, Career Staff, Volunteers, Students and neighboring agencies. Working towards always improving our Fire and EMS responses and providing the best customer service possible.

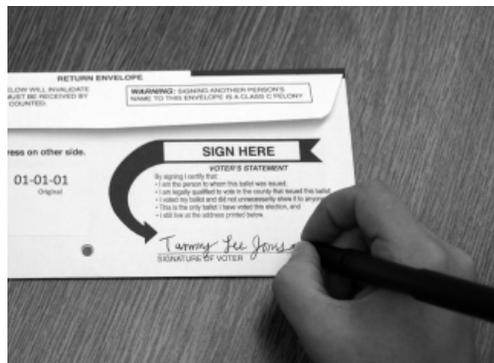

I bring 27 years as a Career Professional firefighter EMT/Paramedic. Over 9 years as a Volunteer Firefighter EMT with Sheridan Fire District. In those years of service my roles included Lieutenant, Apparatus Operator, Advanced Life Support and Basic Life Support EMS, Technical Rescue, and Aircraft Rescue Firefighter.

As a near lifelong resident of the district, I understand many of the needs and challenges for our fire district and this region. I have a strong understanding of what it takes to make a great fire district function properly. I can bring insight, experience, local knowledge, and fresh ideas to the table that can help our district move in a positive direction in the future.

As our district's population expands, services to our citizens
come under increased pressure to improve dispatch times, add
technologically advanced equipment, maintain our facilities, and
encourage highly trained men and women by promoting safety while
protecting yours.

I am seeking another term on the Board because I believe our fire
district's current direction will allow for growth, leverage our limited
resources, and improve the quality of our services. To continue this
momentum, we must be transparent, professional, communicate
regularly, and collaborate with our partners on the responsiveness to
the needs of those in our district. My experience working within local
government, managing volunteer programs and being involved in
critical systems that bring fiscal responsibility, provide the right level
of experience to continue holding my current position.

As a policy board, our job is to routinely evaluate the efficiencies
of our practices. To seek and, when possible, remove obstacles
preventing our district from operating at peak performance. To
recognize opportunity and leverage our strengths, we must be
open-minded, respectful, manage with integrity and be fair in our
deliberations.

Working in Emergency Management during Covid, summer fires,
and winter ice storms, I understand the need for unity within our
community and neighbors. I believe in service above self, and that
together, we will continue to build on our past successes and craft a
district that will see to our safety well into the future.

Chapter 3 of the Special Districts Association of Oregon "Special
District Board Member Handbook" states the following: "Effective
boards become known as effective because they operate in an
organizational environment of trust, honesty and openness. These
boards exhibit, as a team, the following characteristics:

- All board members are perceived to be equally legitimate – no
matter how different or difficult an individual may be.
- The board strives to maintain a "no secrets, no surprises"
operating norm.
- The board recognizes and accepts that conflicts and differences
are inevitable, not necessarily "bad," and must be faced and
analyzed.
- The effective board tends to immediately turn to solutions rather
than playing the "gotcha" game.
- The effective board treats all community members with dignity
and respect, even in the face of criticism and opposition.
- The effective board exhibits creative thinking, knows how to
handle failure as well as success, encourages risk taking and
creates a climate of support for excellence.
- The effective board assumes collective responsibility for the
conduct, behavior and effectiveness of the board."

Comprehensive — Experience — Proficient

Gordon is running for reelection to his fourth term. During his tenure Gordon has continued to follow through to be a driving force and good steward in representing the Citizens and Businesses served by Tualatin Valley Fire & Rescue (TVF&R) to make informed decisions.

Since the last election Gordon has overseen:

- The annexation of City of Newberg Fire Department and Newberg Rural Fire Protection district.
- The relocation and upgrading of a new fleet maintenance center.
- The addition and upgrading of Fire Stations.
- Chehalem Mountain and Wildland Urban interface activity,
- Corvid — 19 application.

Gordon has previously and will continue to make sure TVF&R:

- Be Financially Stable and Responsible
- Keep up to date with the latest pertinent Technology, Training and Staffing.
- Actively Coordinates and Collaborate with other Fire Departments and Municipal entities.

The past year has been very challenging, now is not the time to get complacent. Through good planning, training, and leadership we have to make sure to continue to be prepared for the next emergency to provide the best service practices possible for those served by TVF&R with reelecting Gordon.

Occupation: I am a self-employed butcher and cattle rancher.

Occupational Background: Sheridan Fire District from 2001-2007, volunteer firefighter/EMT/LT; Willamina Fire District from 1988-2001, volunteer firefighter/EMT/LT; Farm manager for McKay

Hop Farm, St. Paul, from 1992-1997; Farm production manager for Evergreen Agriculture Enterprises, McMinnville, from 1988-1992

Educational Background: Chemeketa Community College Fire Science Certificate; Chemeketa Community College EMS Certificate; Regis High School Diploma

Prior Governmental Experience: None

I had a family member on the fire board for 10 years. I was involved with the placement and design of the new fire station in Willamina. I helped in the training of the sleeper student program at Willamina fire district and Sheridan fire district, and I also helped with the merger of the Willamina ambulance and Willamina fire Department when they came together.

I served on Willamina fire district and Sheridan fire district as a volunteer firefighter/EMT Intermediate/LT. I was trained in wildland interface up to management level and also worked on conflagration wild fires. I also managed as a volunteer of the rescue coordinator position for 3 years.

I am the current Polk and Yamhill County President for The Oregon Cattleman's Association. I have been serving in this position for 2 years. I am active on sub committees that are involved with issues that affect and concern our local ranchers.

Homegrown:

Born at Silverton hospital, moved to Willamina at 2 months of age, have lived in Willamina the last 51 years

The fire district board position takes work, dedication and competence. I hope I can earn your trust and confidence and ask for your vote. It would be an honor and privilege to serve our community.

Please vote for Michael Alger

Occupation: Self Employed Contractor

Occupational Background: Fiscally Responsible with a focus on Customer Service and Needs

Educational Background: NA

Prior Governmental Experience:

Current Member of the Budget Committee for West Valley Fire District

Why I'm Running: Willamina is my home, and I want to have the best services possible should my family have a need to use **Fire or EMS** with the Fire District. I believe growth is inevitable and the District must be prepared of the demands of the day-to-day **Emergency Responses** as well as ready for any **Major Emergency** that may arise.

As a **frequent observer of the Fire Board Meetings and a current member of the Budget Committee** I believe we need to do better. I feel that we need to focus more on the services provided to the **West Valley/Willamina areas**. I believe the recent **operating levy** is a step in the right direction and I feel that staffing needs are high. I believe the volunteer firefighting force has not been focused on enough to supplement where needed. The **Communication in our Fire District** is in needs of total overhaul as well. As Stewards of the taxpayer's money and additional operating levy I believe the Fire Board should be listening to the priorities of the community they serve. We should keep the taxpayers informed on budgetary issues and long-term budget planning that will ultimate affect the response we are given.

Should I earn your vote, I promise to bring a **new perspective and expectation of the Fire Chief and his delegates to provide transparency to the Fire Board and citizens**. I'm committed to maintaining the livability of Willamina through the protections provided by the West Valley Fire District and I would be honored to have the opportunity to serve as the next member of the **West Valley Fire Board**.

Prior Governmental Experience: West Valley Civil Service, Board of Directors,

I am asking, for you the voter, to support me in my bid for re-election and a 2nd term. For the last three years I have strived to ensure the district is in a much better place and develop working relationships with the two other fire boards. I have driven initiatives to reduce excess equipment, sell obsolete equipment and identify and reduce certain contract costs. We as a board, have directed the admin team to streamline numerous operations by joining with Sheridan and South West Polk on cost sharing. At this time, we as a district are in year two of crucial decisions that need to be made for the future of the district, which will at some point come to voters to decide on. My peers and board members from other fire boards say they are glad I sit on this board because of my extensive background and knowledge. Being a board member is a continuous growth position. It takes a few years easily just to become familiar with the duties, roles and responsibilities of a board member. I spent countless hours campaigning, collecting donations and posting signs for the levy the voters passed for funding of three FF/Medics and a new ambulance for which everyone is thankful. I ask if you have any questions, please contact me, I will answer any question you have, and it will be supported by facts.

I am seeking re-election to the West Valley Fire District Board of Directors. I am currently a member of the board holding the office of Treasurer/Secretary.

I retired from Willamina School District where I was employed as the Agriculture Teacher and FFA Advisor. I'm currently a substitute teacher, substitute bus driver and the Assistant Softball Coach.

I feel community service is the heart of a great community. This is why I dedicate many hours giving back and supporting our citizens. In addition to the West Valley Fire Board (WVFB), I am a member of the West Valley Kiwanis. I am the Polk County Livestock Association President, and the Willamina FFA Alumni & Friends Vice President. I am Director for Pork for People and Food for All, which provide pork and fresh produce to food banks throughout western Oregon. I also support the American Legion, as I am the son of a Veteran.

As a WVFB member, I strive to make decisions that will move the District forward, to provide the best service for the diversified citizens of the greater West Valley Communities. Times are changing and we continue to face difficult challenges in the Fire District, as well as in our own community. In the past few years, I have seen many positive changes in our fire district and am proud to have been involved in them. We once again have 24-hour ambulance service and a new ambulance on the way. Thanks to you the community!

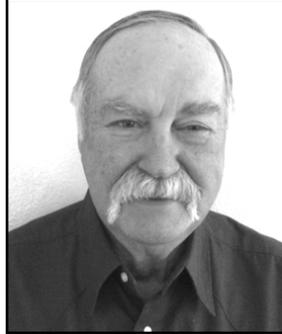

I appreciate the West Valley Community in giving me the chance to serve you on the West Valley Fire District Board of Directors and would be proud to serve another term as your representative.

What is a prepaid postage envelope?

You don't have to use a stamp

With prepaid postage, you no longer have to use a stamp to mail back your voted ballot.

Beginning in 2020, all ballots in Oregon will be sent to voters with a prepaid postage return envelope.

How does it work?

If you mail back your voted ballot, the Post Office will charge the State of Oregon for each ballot sent back to an Elections Official.

Only those ballots sent back through the mail will be charged to the State.

What about Drop Sites?

Using one of Yamhill County's 15 drop sites is faster, cheaper and gets your ballot to us before the deadline.

Search for a drop site near you at:
<https://www.co.yamhill.or.us/content/ballot-drop-sites>

Postmarks DO NOT count

In Oregon, an Elections Official must have your ballot by 8:00 p.m. on Election Night. If your ballot is still with the Post Office after 8:00 p.m. on Election Night **your vote will not count.**

Postmarks **DO NOT** count for ballots in Oregon!!

*If we have not received your ballot by 8:00 p.m. on Election Night, **your vote will not count.***

Return your ballot

- By mail (*only if you mail your ballot by May 11, 2021 - a week before the election*)
- At any Official Ballot Drop Site (*see list on Page 56 of this pamphlet*)

My husband and I are the second generation of Bizeaus to own a dental office in Newberg. After growing up in a military family, Newberg has become my beloved community and given me the small-town roots I spent my childhood longing for.

I believe that CPRD plays a large part in what makes Newberg such a desirable place to live. My entire family regularly benefits from CPRD's facilities, programs, and venues, and that's why I'm passionate about CPRD and the resources it provides. From the time my oldest child was 2, we have participated in basketball, soccer, water polo, gymnastics, and swim. As your representative on the CPRD Board, I will advocate for our district's children while promoting:

Fiscal responsibility- Good stewardship of your tax dollars which fund CPRD parks and programs.

Park maintenance- Upkeep of our parks and facilities.

Athletic programs- Vital for the health and well-being of youth.

In my current part-time work in the prison system, I've seen firsthand that recreation and sports programs were too often missing in the lives of those I serve. I will strive to strengthen our community-based programs at CPRD, and help ensure our park system is well-run and preserved for future generations.

I look forward to representing you on the CPRD Board.

Thank you,

Prior Governmental Experience: Oregon Park and Recreation
Association, Portland Aquatic Council, Chehalem Cultural Center
Business Relations Committee

Longtime Resident: For the past 41 years, I have lived within the
Chehalem Park and Recreation District.

Community Relationships: I have been involved in the Newberg/
Dundee community since 1980. I am a member of the Newberg
Rotary Club (Past President) and a coach for Newberg High School
since 1983. Throughout my career I have fostered relationships with
Newberg School District, City of Newberg, City of Dundee, Yamhill
County, various civic organizations, parent-teacher organizations,
private developers/contractors, neighborhood associations and
state agencies. I would continue to emphasize these relationships to
sustain a healthy park system.

Fiscal Experience: I understand the district budgeting process
and its legal policies. Through my grant writing as an employee of
the district, I have secured over \$500,000 dollars in state recreation
grants as well as at least \$500,000 in private funding and in-kind
donations. In my opinion, securing grants helps to offset fees and tax
dollars to complete projects.

Project Manager: I understand the complexities and policies of
major park district projects as I have been the project manager
for the Chehalem Aquatic Center, Chehalem Cultural Center, and
numerous district park development and renovations.

IT IS YOUR PARK DISTRICT and I am passionate about creating
district policies that will improve the livability of all age groups, as
well as providing direction that will create recreational opportunities
for the district citizens. It would be my honor to serve.

Educational Background: Graduated from Dallas High School, Dallas OR; College courses through Oregon Coast Community College (no degree) various occupation related training.

Prior Governmental Experience: Currently serve on Newberg Planning Commission, previously Precinct Committee Person.

Expand recreational opportunities: I coached soccer for six years in CPRD and know the benefits existing programs provide for youth and adults and I would explore ways to grow on what we currently have while encouraging new offerings. Specifically, I'd like to see more recreation league programs for older kids and adults and expanded education opportunities for all age groups. I would advocate for expanded trail systems.

Focus on the job: We have seen far too much politicizing of our government recently. Using a position as a speaking stage for partisan grandstanding does not serve the people well. I would use my varied experience and background to do the work relevant to expanding and maintaining great parks and recreational services for all of us.

I ask for your support and vote for Jeff Musall.

I have now served on the CPRD Board for nearly four (4) years and during this time, my devotion to the organization’s mission has only strengthened, and am therefore running for re-election.

My past experience in helping to develop the Chehalem Cultural Center and the new Aquatic Facility led me to my current position on the board and my experience in nonprofit executive leadership has aided me in this role. Over the last four years I have been excited to see CPRD’s continued focus on the variety of sports programs offered, the campground on 219, extending the trail system, improvements to Bob & Crystal Rilee Park, the development of the Sanders Estate Park in Dundee, and the improvements to the playgrounds at our elementary schools. If re-elected, I would also like to see greater attention paid to equity, succession planning, staff advancement and cooperation between partner organizations.
