

To vote for a candidate whose name is printed on the ballot, with a blue or black ball point pen, simply color-in the box next to the candidate of your choice. You can also put an "X" or a "√" mark in the box, but be sure to stay within the outline of each box with your mark. Just about any mark in the box will be picked up as a vote, so be careful not to drag your pen down your ballot.

**YAMHILL CARLTON SCHOOL DISTRICT DIRECTOR
POSITION 4**

RICK YEO

OCCUPATION: Self-Employed, General Contractor/Construction Manager.

OCCUPATIONAL BACKGROUND: 40 years' experience constructing educational facilities. President (retired) of Oregon's largest educational (K-12) builder. Managed all phases of school construction including customer relationships, scheduling, budgeting, and project closeout. Current co-owner of R&C Management, liaising between owner and builder to ensure efficient project completion.

EDUCATIONAL BACKGROUND: Carpenter's Apprenticeship 4 years, MHCC, CCC and PCC, numerous business courses. Accredited Professional in LEED's (Leadership in Energy and Environmental Design).

PRIOR GOVERNMENTAL EXPERIENCE: Current Y/C School Board Member, Y/C 20/20 Committee.

It has been a pleasure to serve these last 4 years as one of your School Board members. I'm proud of the successes we've had: we've established Alliance Academy, and partnered with the community to bring vocational training into the District. We've also transitioned to a new Superintendent and maintained our facilities, which currently need upgrading, all while operating efficiently on a dramatically reduced State budget.

It will take strong leadership and knowledge of school construction to help guide the District through the challenges of the upcoming years. To meet these challenges, my primary focus will be on partnering with the community to complete the upgrades that our facilities require so that we can ensure quality education for our children. All of my decisions will be filtered through my 40 years of business experience and one simple question: "What's the best for the children, the schools, and the community?"

As a father of two daughters who both attended the Y/C District, I believe that education is enhanced when the community gathers to lend vision and volunteers to support the education of its children. I would consider it an honor to be reelected as your School Board Member and will strive to give our educators the best tools available for the education of our children. Thank you, your vote is appreciated.
