To vote for a candidate whose name is printed on the ballot, with a blue or black ball point pen, simply color-in the box next to the candidate of your choice. You can also put an "X" or a "✓" mark in the box, but be sure to stay within the outline of each box with your mark. Just about any mark in the box will be picked up as a vote, so be careful not to drag your pen down your ballot.

To vote for a candidate whose name is **not** printed on the ballot, under the heading of the correct office, write the person's name on the (WRITE-IN) line provided, and fill-in the box beside the words "Write In". You must fill-in or mark in the "Write In" box to insure that your write-in vote is tallied.
