**MCMINNVILLE SCHOOL DISTRICT DIRECTOR
POSITION 6 AT LARGE**

SCOTT GIBSON

OCCUPATION: Physician

OCCUPATIONAL BACKGROUND: Private practice internal medicine and gastroenterology in McMinnville since 1989, one year medical practice 1988 in Chehalis, Washington.

EDUCATIONAL BACKGROUND: Bachelor of Science degree in biology from Walla Walla College 1980; M.D. from Loma Linda University 1984; internal medicine residency Providence Medical Center, Portland completed 1987.

PRIOR GOVERNMENTAL EXPERIENCE: McMinnville School District Budget Committee 2005-2011

We are currently facing some of the most difficult times for school budgets in decades. The school board will have to balance fiscal responsibility, the need to maintain school programs, and respect for the professionals who make our schools successful. In addition, our schools need to be innovative to find ways to meet the needs of a diverse student population. McMinnville High School has already shown remarkable creativity in providing specialized course studies for students with interest in engineering and the arts. This is the sort of bold approach to education that can give our students an edge in a competitive global labor market.

I would bring both a fresh perspective and significant experience to the school board. In my six years on the budget committee, I have worked to assure that the district is able to weather fiscal downturns. My budget committee experience as well as my years as a businessman in this community will enable me to help the district maintain optimal results for our students in these difficult times.

I grew up in McMinnville. My wife and I have seen our three children, as well as many exchange students we have hosted, through the school system in here. We know how strong our schools can be, and with your vote I look forward to working to make the future of our schools even brighter.
