

**Budget Committee Meeting
May 2, 2016**

Please Note:

The Budget Committee meeting written minutes from May 2, 2016 inadvertently omitted the approval of the minutes from December 16, 2015. The agenda clearly states in Item 3 that there were two sets of minutes to be considered for approval at the May 2, 2016 meeting which were May 4, 2015 and December 16, 2015. The audio recording of the May 2nd meeting states Mr. Springer moved approval of the minutes as stated in Item 3, Ms. Starrett seconded it and the motion passed unanimously. The written minutes for May 2, 2016 included the approval of the May 4 – 6, 2015 minutes and inadvertently left out a statement reflecting the approval of the December 16, 2015 minutes. This notation is being made to rectify this scrivener's error.

Thank you,
