**AMITY SCHOOL DISTRICT
DIRECTOR POSITION 1**

CRAIG W. HUDSON

OCCUPATION: Engineering program manager, small business owner.
OCCUPATIONAL BACKGROUND: 20 years hands-on engineering and management experience in the consumer electronics market— including positions at the design level, leading project concepts to manufacturing, building customer relations and broad program management. Small vineyard owner in the Eola Hills.

EDUCATIONAL BACKGROUND: Bachelor of Science Degree, Electrical Engineering, Northeastern University, 1985

PRIOR GOVERNMENTAL EXPERIENCE: Amity School District Budget Committee 2003 and 2004 - chairman in 2004. Amity High School Principal selection committee 2005.

Excellence in Education – Amity has a great school district. We have some of the best educators working right here in our community. We have some of the best facilities for a small school district. Can we do better??? I'd like to strive for improvement. I will work to set district goals and publish our measured results.

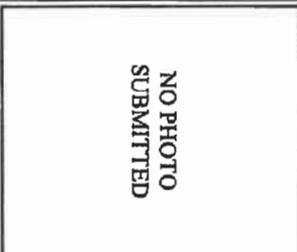

Community Participation – Amity is a great place to have our children grow up. My wife and I chose Amity for a place to live in 1990 and have two children at Amity Elementary. We got involved to make a difference. My wife, Celeste, started Amity Community Pre-school. I have been participating at school board meetings over the past 4 years. If elected, I will bring your voice to the school board. Together we can achieve the best possible education for our children.

Highest Standards – I hold the highest standards for our children, teachers and administrators. We need to challenge our children to excel. We need to challenge our educators to develop the best possible programs. We are shaping our future leaders and they need to be prepared.

Budgets – state funding limits our programs. I will work to improve our programs from within.... community involvement and cost sharing is the practical answer. I have worked on school board budgets and know Amity schools run efficiently. I will work to provide the best possible programs within our budget. Cutting more programs will crush the public education system in Amity.

OCCUPATION: Wilco Farmers; Agriculture Technician 11 yrs, and Employee Council; Winery Manager Hauer of the Dauen Winery
OCCUPATIONAL BACKGROUND: Vineyard Manager at Hauer of the Dauen Vineyard, in charge of vineyard crew.

EDUCATIONAL BACKGROUND: Linn Benton Community College 1 term; Southern Oregon State College 1 yr. Amity High School, Middle School, and Elementary School.

PRIOR GOVERNMENTAL EXPERIENCE: Amity School Board 3 yr term 2002-2005; Vice Chairman of School Board 2004-2005. Amity Elementary Site Council; Amity Middle School Site Council; Contract Bargaining Committee; Budget Committee 3yrs; FFA Advisory Board member.

For the past 3 years in which I have been a member of the Amity School Board, I have realized what Education means to me. Education means; that every person deserves the right to a good educated learning environment and safe surroundings. Even though funding for our schools is not always what we need, I have tried to make the best decisions on education with the students being the first concern. Being a past graduate of Amity High School I always strive to make the best choices for the students who are enrolled now at The Amity School System. We have to look forward to the coming years and changes in education for the youth of our future. Since I do have 3 children of my own in the Amity School System, I take great pride in how they are educated. If I can help their education in any way, I would hope my position would help them and all other students achieve there future goals in life.

KEITH BEARDEN

OCCUPATION: Partner, Tatum Partners, LLP.

OCCUPATIONAL BACKGROUND: Over 20 years in Information Technology Management including the following positions: Vice President of Information, A-dec, Inc.; Director of Worldwide Operations, Sequent Computer Systems, Apple.

EDUCATIONAL BACKGROUND: Bachelor of Science, Computer Science, Austin Peay State University.

PRIOR GOVERNMENTAL EXPERIENCE: Chehallem Park and Recreation District Budget Committee. 2004 – Present.

My wife, Amy and I and our two children have lived in Newberg for the past six years. During that time we have been fortunate to be the recipients of and participants in the wonderful programs provided by Chehallem Park and Recreation District (CPRD). Through this involvement we have met our neighbors and developed friendships that will last a lifetime. It has been a joy for me to coach so many of the children in our community and to be involved in so many of the activities that shape our lives and the lives of our children. If we look around us it is not difficult to see that our community is growing and so must CPRD. With new people coming into our community it is imperative that these new neighbors understand and support CPRD and its programs. It is my goal as a Board Member to help CPRD to maintain the quality and integrity of their programs and to improve the communication between the organization and the community. I will work with the staff and the other Board Members to help CPRD secure the funding to continue to offer the variety of programs to meet the needs of the community. I will also help the organization utilize information technology to meet the needs or our fast paced, every changing digital society. I believe Chehallem Park and Recreation District is a vitally important part of our community and would be proud to serve my neighbors in the position of CPRD Board Member.

CHAD ROBERSON

OCCUPATION: Account Executive, IKON Office Solutions Inc.

OCCUPATIONAL BACKGROUND: 14 years career in sales including 6 years business-to-business sales.

EDUCATIONAL BACKGROUND: Lane Community College, Eugene, Oregon; Springfield High School, Springfield, Oregon

PRIOR GOVERNMENTAL EXPERIENCE: None

Clubs and Professional Associations: Newberg Rotary Noon Club member, Chehallem Valley Chamber of Commerce member

My wife Cindy and I live in Dundee with our two young children and have enjoyed the parks and activities offered by Chehallem Park and Rec District. Before moving to Dundee, we lived in an area where safe, well-lit bicycle and pedestrian paths linked cities and provided a network of accessibility and recreational options. I see an opportunity to create such a system within our park district, where interconnected paths provide access to existing and future parks and greenways and to the Willamette River.

My family and I take very seriously our dedication to our community. I regularly attend board meetings and have a thorough understanding of what I want to achieve as a board member. I would like to further pursue that commitment by being elected to the CPRD board. I believe we live in an extraordinary place with a first-rate park and rec district and want to work to ensure it will remain so for the future.

My goals as a board member are:

- Work closely with riverfront developers to secure recreational access
- Develop a plan for a walking and bicycle path system linking parks and green spaces
- Maintain quality programs and activities for children and families
- Be proactive with the citizens and community groups within Dundee, Newberg, and surrounding areas.

RONALD L. PITTMAN

OCCUPATION: Insurance Agent with COUNTRY Insurance & Financial Services.

OCCUPATIONAL BACKGROUND: Insurance Agent for 21 years; Farm owner and Farm operator for 20 years. County Extension agent for 4 years.

EDUCATIONAL BACKGROUND: BS degree from Oregon State University in Agriculture.

PRIOR GOVERNMENTAL EXPERIENCE: Willamina School Board 21 years. Yamhill Education Service District Board 12 years. YCAP Board 2 years. Head Start of Yamhill County Board member and chair 8 years. Chemeketa Community College Budget Committee 5 years.

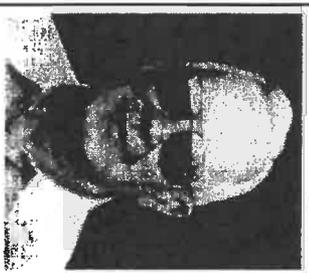

I have always worked hard on the education boards where I served to improve the education quality and availability for the students of Yamhill County and the region. I've always tried to put educational excellence at the forefront on the School Boards where I served.

Goals as a Chemeketa Community College Board Member:

1. Work at continuing to provide education access for all those who look to Chemeketa for their education needs.
2. Work with the elected representatives and senators to increase the funding for education in the state budget.
3. Work with the board and staff in seeking resources to fund the Expansion of the Chemeketa Campus at the Tanger Mall Site.

GARNIE JOHNSON

OCCUPATION: Retired, after 27+ years in higher Education

OCCUPATIONAL BACKGROUND: Two years as Associate Dean of the College at Morgan Community College, building an Enrollment Management Model, much like that established at Northeastern Junior College

during the eleven years there as Director of Admissions, Records, and Financial Aid. Prior to that I was Assistant Director of Admission at Northeastern, and a biology instructor for three years.

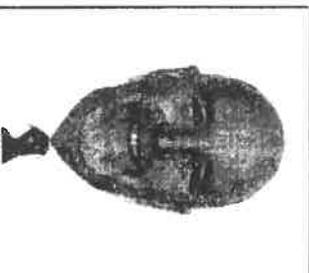

EDUCATIONAL BACKGROUND: Associate of Arts, Northeastern Junior College, Sterling, Colorado, Bachelor of Science, Colorado State University, and Master of Arts, University of Northern Colorado.

PRIOR GOVERNMENTAL EXPERIENCE: Served several years, one as the chairperson, on the Fairgrounds Improvement committee in Logan County. Served four years on the Executive Council, one as the two-year College representative, then one year each as President Elect, President, and Past President of the Colorado Council on High School-College Relations. Read and evaluated grant proposals for the National Science Foundation for two years. None of the above was a paid position.

Community Colleges have served me well for many years! If you, the voters, chose to elect me to the Chemeketa College Board, I pledge to represent you with diligent attention to your interest. I am a graduate of a Junior-Community College and later worked at that same college over twenty-five years. During that time, two of my daughters graduated from Northeastern, one is currently a veterinarian in Central Oregon, the other an equine Science graduate, now completing her Master's degree at George Fox. My wife of 43+ years heartily supports my seeking this office. I believe Chemeketa Community College can, and should, better serve Yamhill and Polk counties. Recent acquisitions in McMinnville hold much promise, especially if new, challenging vocational offerings follow. My experience in integrating technical, technical, and advanced-placement learning into a seamless, penalty-free progression toward each student's goal should help students of any age see how Chemeketa Community College benefits them.

OCCUPATION: Retired
OCCUPATIONAL BACKGROUND: Extensive background in Microwave Electronics and Telecommunications System Design; Extensive experience in Sales, Marketing, and Management; Vice President of Engineering for several companies; Vice President Sales and Marketing for several companies

EDUCATIONAL BACKGROUND: BA and MA Physics from San Jose State University, San Jose, California
PRIOR GOVERNMENTAL EXPERIENCE: None

I am presently involved with the community as:

- President of the Board of the McMinnville Friends of the Library
- Board of Directors, McMinnville Library Foundation
- Board of Directors, McMinnville City Club
- Vice-Chair- CCRLS Advisory Committee (Chemeketa Community College Regional Library Service)

WHY YOU SHOULD VOTE FOR STEVEN RUPP:

- I have a strong belief that an educated population is the key to the future for the United States. An educated and informed population is the cornerstone for preserving our democracy and guaranteeing the continued economic success of our country.
- After completing my career in industry, I very much want to give back to a country and society that has been so good to me and helped me in many ways. I would like the opportunity to work hard in keeping and improving the opportunities for education in our community.
- I am fiscally responsible and believe in balanced budgets. Deficits should be avoided if at all possible. That being said, we must do everything we can to provide quality education to all that desire it. This usually requires difficult decisions to be made. I am capable and used to making those kinds of decisions.

I ask for your vote so that I can work for you and the community. I would like the opportunity to help make Chemeketa Community College and our area better place.

VICTOR E. NOLAN

OCCUPATION: Risk & Benefits Manager, Clean Water Services
OCCUPATIONAL BACKGROUND: 7 years Risk & Benefits Management, 10 years safety professional (Loss Prevention Coordinator & Industrial Safety Engineer); Security & Support services (Administrative

Associate); electroplater
EDUCATIONAL BACKGROUND: Associate of Risk Management; Certified Safety Professional; Associate of Science, Portland Community College; Mechanical Engineering, Oregon State University; Mechanical Engineering, Portland State University
PRIOR GOVERNMENTAL EXPERIENCE: Yamhill Grade School Site council, 2003 to present; Yamhill-Carlton School Board, 1999 – 2003, Chairperson 2001-2003; Yamhill-Carlton School District Budget Committee, 1997-1999

Our schools are facing serious times with budget shortages, increasing class sizes and stringent academic requirements. With these challenges comes a need for responsible leadership, communication and responsiveness at the board level. My previous experience on the board as well as my work experience will allow me to immediately make a positive contribution to the District. During my previous term in office I gained valuable experience while I worked with the administrators, staff, the other board members and you, the community members, to make physical improvements to the buildings, stretch a limited budget and work to maintain the diversified programs that our community values. I worked to improve communication including producing updates on the construction projects and other District communications. The use of my occupational experience allowed the District to take advantage of an opportunity to finance our retirement obligations resulting in savings of thousands of dollars per year. My goals for the district remain the same, to work together with the rest of the board, the administration, the staff, and you to continue to improve our schools and provide the best education possible for our children. Thank-you for your support.

CAROL WEST

OCCUPATION: Retired Teacher
OCCUPATIONAL BACKGROUND: Taught 3rd grade in Forest Grove for 2 years. In McMinnville taught 3rd grade for 3 years. Taught 1st, 2nd, 3rd, 8th, and was Teacher on Special Assignment in Carlton for a total of 23 years. Retired from Carlton Elementary in 2001 but have continued to be a substitute in district.

EDUCATIONAL BACKGROUND: Graduated from Yamhill-Carlton High School. Bachelor of Science Degree from University of Oregon. 85 hours of post graduate classes from several universities including Portland State, Linfield, and Pacific University.
PRIOR GOVERNMENTAL EXPERIENCE: City of Carlton Budget Committee.
I am currently a board member of Juliette's House, a child abuse center in McMinnville and Carlton together Cares, an organization in Carlton for the benefit of children.

I was raised in Carlton from the time I was 8 year old. My family moved here to join other family that was here already involved in business and community government. I loved being raised in this town and attending the local schools. It was a very comfortable, safe environment.
My main goals as a Board Member will be:
1. To represent the community and all those having children in these schools.
2. Be open to suggestions and always listen with an open mind
3. Be an active volunteer in all three schools in the district.
4. Communicate with the staff from all three schools.
5. To develop strategies to help secure better financial future needs for our schools.
I have been involved in the educational community of this district for the past 27 years, either as a teacher or a volunteer. I care very much for the children here and would like to be an active School Board Member who works toward a positive educational experience for each and every child in this district.
Thank you for your consideration. Your vote would be appreciated.

**REFERRED BY THE CITY OF MCMINNVILLE
MEASURE 36-74**

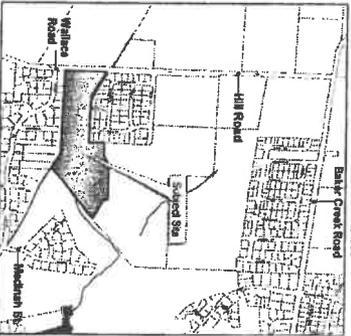

**A MEASURE PROPOSING ANNEXATION
OF THE RUDEN PROPERTY**

QUESTION: Shall the Ruden property, located west of the Michelbook Golf Course and east of Hill Road be annexed to McMinnville?

SUMMARY: Approval of this measure would annex an approximate 7.08-acre parcel of land to the City of McMinnville. The property is generally located east of Hill Road, west of Michelbook Golf Course, and north of Wallace Road. The property is further described as a portion of Tax Lot 302, Section 18, T 4 S., R 4 W., W.M. This property is within the McMinnville Urban Growth Boundary and is surrounded by the existing city limit lines to the east, south, and north. The McMinnville Comprehensive Plan, adopted in 1981, designates this property for residential use. If annexed, the site will be eligible for a zone change and residential development. The applicant indicates future plans to pursue single-family residential development of the site, with possible development of 40 to 50 residential lots of varying sizes. Approval of this annexation does not authorize development of this property; approval of future development plans requires compliance with applicable state and federal regulations, as well as with the McMinnville Zoning Ordinance, Land Division Ordinance, and other applicable city regulations in effect at the time.

Ruden Annexation

**EXPLANATORY STATEMENT
MEASURE 36-74**

On December 16, 2004, the McMinnville Planning Commission held a hearing to consider a request from Alan Ruden, Inc., to annex a parcel of land approximately 17.08 acres in size to the City of McMinnville. The property is generally located east of Hill Road, west of Michelbook Golf Course, and north of Wallace Road, and is further described as a portion of Tax Lot 302, Section 18, T 4 S., R 4 W., W.M. This property is within the McMinnville Urban Growth Boundary, and is surrounded by the existing city limit lines to the east, south, and north. At the conclusion of this hearing, the Planning Commission forwarded to the City Council a recommendation that the Ruden property be annexed to the City of McMinnville, and be withdrawn from the McMinnville Rural Fire Protection District, subject to voter approval.

The McMinnville Comprehensive Plan, adopted in 1981, designates this property for residential use. If annexed, the site will be eligible for a zone change and residential development. The owner indicates future plans to pursue single-family residential development of the site, with possible development of 40 to 50 single-family residential lots of varying sizes within the site.

The City Council, upon review of the Planning Commission hearing record on January 25, 2005, adopted Ordinance No. 4819 finding that the request for annexation of the Ruden property met the land use and annexation ordinance criteria of the City of McMinnville. This ordinance also directed City staff to prepare the ballot title and explanatory statement to be submitted to the Yamhill County Clerk for the May 17, 2005, election.

The City of McMinnville charter requires that all annexations, except those otherwise mandated by state law, be referred to a vote of the electorate. Approval of this annexation does not authorize development of this property; approval of future development plans requires compliance with applicable State and Federal regulations, as well as with the McMinnville Zoning Ordinance, Land Division Ordinance, and other applicable City regulations in effect at the time.

**A MEASURE PROPOSING ANNEXATION
OF THE HANSON PROPERTY**

QUESTION: Shall the Hanson property, located north of Mahon Farm subdivision and east of Baker Crest Court, be annexed to McMinnville?

SUMMARY: Approval of this measure would annex an approximate 4.7-acre parcel of land to the City of McMinnville. The property is generally located east of Baker Crest Court and north of the Mahon Farm subdivision. The property is further described as a portion of Tax Lot 1001, Section 17, T. 4 S., R. 4 W., W.M. This property is within the McMinnville Urban Growth Boundary and borders the existing city limit line to the south and west. The McMinnville Comprehensive Plan, adopted in 1981, designates this property for residential use. If annexed, the site will be eligible for a zone change and residential development. The applicant indicates plans to pursue rezoning of the site to R-1 (Single-Family Residential) with possible development of seven single-family residential lots of at least 9,000 square feet each. Approval of this annexation does not authorize development of this property, approval of future development plans requires compliance with applicable state and federal regulations as well as with the McMinnville Zoning Ordinance, Land Division Ordinance, and other applicable city regulations in effect at the time.

**EXPLANATORY STATEMENT
MEASURE 36-73**

On January 20, 2005, the McMinnville Planning Commission held a hearing to consider a request from Eric Hanson, to annex a parcel of land approximately 4.70 acres in size to the City of McMinnville. The property is generally located east of the Crestbrook First Addition subdivision and Baker Crest Court, and north of the Mahon Farm subdivision, and is further described as a portion of Tax Lot 1001, Section 17, T. 4 S., R. 4 W., W.M. This property is within the McMinnville Urban Growth Boundary, and borders the existing city limit line to the south and west. At the conclusion of this hearing, the Planning Commission forwarded to the City Council a recommendation that the Hanson property be annexed to the City of McMinnville, and be withdrawn from the McMinnville Rural Fire Protection District, subject to voter approval.
