KATE BROWN
SECRETARY OF STATE

ROBERT TAYLOR
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION
JIM WILLIAMS
DIRECTOR
255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 888-1518

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties - but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate - and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, Q, P, C, L, E, R, N, X, T, B, O, J, K, S, F

If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States Senator**Monica Wehby**

Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot-Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Occupation: None

Occupational Background: CERTIFIED FINANCIAL PLANNER(R), Budgeting, Realtor

Educational Background: BS

Prior Governmental Experience: Precinct Committee Person

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:

We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit www.OregonsNextSenator.com.

As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.

Before considering how to vote, every bill must be:

Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

Humbly I ask for your vote.

Mark Callahan

Republican

Occupation: Information Technology (IT) Consultant

Occupational Background: IT industry consulting/permanent positions, at local/national companies, over 13 years.

Educational Background: B.S. Business Administration / MIS, Pre-Law Minor, OSU – Corvallis, OR; MCP, MCSE Training Program, THE COMPUTER INSTITUTE – Rockville, MD

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate.** Thank you and May God Bless America.

United States Senator

Timothy I Crawley

Republican

Occupation: Attorney

Occupational Background: Nichols & Associates

Educational Background: U.C. Hastings, J.D.; Williams College, B.A.

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank:

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

Jason Conger

Republican

Occupation: Attorney, State Representative

Occupational Background: Small business owner, teacher, Congressional Aide, carpenter

Educational Background: A.A.,

College of the Redwoods; B.A., Humboldt State University; J.D., Harvard Law School

Prior Governmental Experience: Oregon State Representative: Co-Vice Chair, House Education Committee; Business and Labor Committee; General Government and Consumer Protection Committee; Health Care Committee; Law Clerk, US Department of Justice

**JASON CONGER FOR U.S. SENATE
REAL. CONSERVATIVE.**

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

Delinda Delgado Morgan

Republican

Occupation: Business Owner, Farmer

Occupational Background: Construction Corporation Vice

President, Accounting, Heavy Equipment Operator since 1982

Educational Background: High School Graduate

Prior Governmental Experience: First District 2012 Republican Nominee, 2014 Special Election Candidate, Water Board Director

I am running for Oregon's Congressional First District because like you, I want our lives and our children's lives to be the best they can be. We can all agree the stagnate economy and ever-increasing role of Government into our lives and business is diminishing our opportunities for enjoying our liberties and happiness. I wish to be your Congressional Representative because I believe the people need a competent voice advocating for their right to govern themselves. I am that voice and I won't be silenced when pushing for freedom from government mandated programs.

Congress has been a "do nothing" legislative body. A consequence of the divisiveness is an out of control spending problem that is driving our national debt to a level we may never be able to pay. I want our children living free without crushing debt. As your representative I will work diligently to bring other representatives together to reduce the federal budget and spending.

I want all Americans to have quality healthcare. The ACA is too expensive and millions are losing their healthcare. There are better solutions. I will push for returning healthcare to the States and through legislation lower costs through interstate competition, provide protection for pre-existing conditions and reforms to the TORT system.

When you elect me as your representative, I will take seriously that it's my job to be your voice in Washington, D.C. I'll have your best interests at the heart of my work when creating opportunities for good jobs. I'll fight for a lean Federal Government and removing strangling regulations on business.

I am humbled by the opportunity to ask for your vote and together we will work to make a strong, healthy and wealthy District, State and Nation.

Jason Yates

Republican

Occupation: Service Manager at Bug Busters Pest Control

Occupational Background: Warehouse Manager, Staff Accountant, Treasury Clerk, Credit/Collections Manager

Educational Background: A.A. - Santa Barbara City College '09, B.A. - Film Studies - Portland State University '13

Prior Governmental Experience: PCP and 2nd Alternate Delegate for Yamhill County Republicans

Community Service: Assistant Scoutmaster and former Unit Commissioner for Eagle Valley District Boy Scouts, Sunday School Teacher for Newberg 1st Ward LDS Church, former volunteer at Boy's and Girl's Club

With Purpose And A Plan:

About Jason:

Jason graduated from Portland State and lives with his wife and two sons in Newberg. Jason works for a local pest control company and is active in his local church and the performing arts. Jason understands that communities committed to fiscal responsibility and a friendly business environment can establish lasting prosperity for all citizens.

Jason On Health Care:

Jason, like most Americans, is upset about the failed roll-out of the ACA Health Care reforms and deeply concerned about the wasted tax dollars, privacy issues, insurance policy terminations, and changes to the doctor-patient relationship that accompanies Obamacare. Jason seeks real solutions that provide quality health care insurance by placing the control in the hands of the consumer, not professional bureaucrats.

Jason On Jobs:

Jason is dedicated to establishing a productive business environment that promotes innovation and expansion of employment opportunities. Jason understands that Oregon is in competition with 49 other states for business recruitment and he's committed to removing barriers to business and establishing Oregon as the nation's premier entrepreneurial destination.

Jason On Taxes:

Jason understands that every tax dollar spent is derived from our paychecks, our property, and our family budgets and shouldn't be spent casually. When taxes and fees are increased, spending, hiring, and investments decrease. Jason is determined to resist policies that hinder economic progress because he sees the importance of maintaining Oregon as a viable option to locate and operate a business.

Governor

**Gordon
Challstrom**

Republican

Occupation: Retired

Occupational Background:
Commercial Contractor

Educational Background:
University Nevada-Reno;
Bachelor Degree in Business

Administration, minors in economics and international management

Prior Governmental Experience: None.

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should protect private property rights, not undermine those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Governor

Tim Carr

Republican

Occupation: Gubernatorial Candidate

Occupational Background: CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

Educational Background: Attended University of Portland, Graduated Portland State University, BS Political Science, Jesuit High School

Prior Governmental Experience: None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making Oregon an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

As Governor, Tim Carr will focus on:

Economic Prosperity: Attract (aka STEAL BUSINESSES) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.

Education Strength: Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.

Government Spending: Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

PERS Reform: Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

Environmental Stewardship: Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.

- Tim Carr - www.TimCarr.com

Governor

Dennis Richardson

Republican

Occupation: Businessman, State Representative

Occupational Background: Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

Educational Background: BYU, J. Reuben Clark Law School

Prior Governmental Experience: City Councillor, School District Budget Committee, Oregon House of Representatives.

Community Service: Boy Scout and church youth leader, volunteer soccer coach, veteran.

Vision & Leadership

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

It's Your Money - Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

Balancing Priorities

We can protect our environment and our jobs. My policy will be simple - I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

Mike Nearman — Strong, Focused, Conservative Leadership

Mike Nearman believes voters deserve to be represented by someone focused on creating jobs, limiting taxes and ensuring we have a strong education system for our children—all while not sacrificing conservative principles.

Mike believes the Legislature needs to:

- Give more support to small businesses to help create jobs.
• Reduce unnecessary regulations and the size of government.
• Stop tax and fee increases.
• Focus resources directly into classrooms so every student has the opportunity to read by the 3rd grade.
• Expand vocational training for students not seeking a four year degree.

Mike Nearman—A Man of His Word

Mike won't sacrifice his principles when the political winds shift. As your representative, he will unite his core values with basic common sense as he carefully reviews and votes on legislation.

"Jim Thompson ran for office as a conservative but has since flip-flopped and is now a leader for the pro-gay marriage coalition. Oregon Family Council PAC knows Mike Nearman will be a dependable advocate for family values and traditional marriage."

Jack Louman, Oregon Family Council PAC

Mike Nearman—Advocate for Common Sense Government Reforms

Mike believes taxpayer funded programs should be regularly analyzed for their cost-effectiveness and whether they would be better run by the private sector. Government projects that run over budget should be audited and administrators should be held accountable.

Mike Nearman—Solid Pro-Life Credentials, Pro-Traditional Marriage and Pro-2nd Amendment

Mike has always been strongly pro-life, pro-marriage and pro-gun rights.

"Oregon Right to Life PAC endorses Mike Nearman for State Representative because we know we can count on him to advocate for protecting the unborn and elderly."

JIM THOMPSON Real Solutions to Real Problems

Focused on Job Creation

Jim Thompson proved he will work with anyone willing to help create jobs for local families. He has championed legislation that facilitates the use of woody debris from our forests to generate power and protect against forest fires. Cleaning up our forests will put people back to work.

Responsible Budgeting and Spending

We need legislators like Jim Thompson who will ask tough questions and make sure our tax dollars are spent wisely on the services we expect state government to provide like quality schools, safe neighborhoods and good roads. We can count on his common sense approach.

Protecting Our Second Amendment Rights

Jim Thompson has a proven record of standing with gun owners. He has and will continue to stand up for the rights of Oregonians to defend themselves and their families. He opposes more regulation on those who exercise their freedom to own and carry firearms.

Jim is endorsed by the National Rifle Association

Addressing Our Health Care Crisis

Jim is a voice of reason on health care matters — pushing back on liberals and their agenda. He fought proposals that would have increased health care costs while making sure patients and their doctors remained at the center of any discussion. Jobs & Prosperity**

As a life-long resident of Yamhill County, I understand our community's issues and the importance of strong representation in Salem. As a small business owner, I know firsthand the effects of this recession and I fought the partisan politicians in Salem that too often seem to treat taxpayers like ATM's. Together, we can re-build Oregon's economy by controlling government spending and supporting Oregon's private sector.

Economic Prosperity

We need a strong and healthy business climate to create jobs and turn our economy around. I understand that Oregon is in competition with 49 other states and the entire globe for business. With prudent government spending, lower taxes, and incentives for entrepreneurship we can expand businesses, increase employment opportunities and recruit capital investment to Oregon.

Government Waste

State government needs to be accountable for the tax dollars it spends. I know that each tax dollar is taken from our family budgets and shouldn't be spent carelessly. I will always fight unnecessary projects and provide common sense solutions in Salem. I support additional audits on government agencies, open financial disclosure, and performance reviews.

Health Care

I consistently stood up against the botched Affordable Care Act and Cover Oregon roll-out because I knew our tax dollars were being spent carelessly with little benchmarks or oversight. I proudly supported the legislative audit to immediately investigate into the missing funds and to find those responsible.

With my background in adult foster care, I know how we can improve services for senior citizens in care facilities. We also need to strengthen programs like Oregon Project Independence that enable seniors to live in their own homes.

Quality Education for our Children

I will work to ensure that school funding is adequate and predictable so school districts can plan ahead. As a parent with children in school, I know the importance of a good education in continuing the American Dream for future generations.

Workplace Safety

I believe there should be safeguards put in place to ensure that those who work with seniors have working conditions that prevent them from being injured on the job.

Jobs and the Economy

We must do everything we can to encourage the return of manufacturing jobs to Oregon. This will help grow the economy and provide revenue for education, senior care and other essential services.

Government Accountability

The state government should be a good steward of our hard-earned tax dollars. I will work to ensure accountability in how those dollars are spent, and make sure that we limit the capacity for waste, fraud and abuse.

Natural Resources

We should encourage the responsible use of our abundant natural resources to provide jobs for working Oregonians throughout the state.

18. Duties & Responsibilities of Precinct Committeepersons, Republican Party.

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

Occupation: Governor of Oregon

Occupational Background: Emergency Room Physician, Roseburg

Educational Background:

Prior Governmental Experience: Governor 1995-2003, 2011-present; Senate President 1985-1993; State Senator 1981-1993; State Representative, 1979-1980

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have one of the nation's fastest-growing state economies.

We are reinvesting in our schools, adding over \$1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that lowered the cost of state government.

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We've accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

As a candidate for re-election to the Oregon Senate, my campaign promises are to remain an accessible advocate in the district and to be an effective voice for you in Salem.

I know some of the things you care about, because you tell me at the grocery store and on the streets of the towns I am privileged to represent.

You care about your kids' schools. You want to create jobs and support our existing businesses. You want to protect our environment while responsibly using our natural resources. You want to help those who cannot help themselves. You want to protect our society from those who threaten it, and you want our senior citizens to live in dignity. I share your priorities.

My personal goal is to represent you in a manner that will help restore your confidence in state government. Educational Background: BS (Political Science - Honors) OSU; MA (Political Science/History/Economics) OSU; MBA (Marketing/Finance) Willamette University

Prior Governmental Experience: State Representative; Governor's Commission on Senior Services; Oregon Small Business Task Force; Legislative Aide to Barbara Roberts

David Gomberg: Leadership for the Central Coast and Coast Range

David is a small businessman, not a politician. For more than 20 years David and his wife Susan have built a successful kite business on the Oregon Coast and created good jobs in our community. We need a representative in Salem who has worked in the real world and understands when government can help and when it needs to stay out of the way. He's tired of partisan bickering and has a proven record of putting politics aside for the good of the state.

David's priorities are your priorities:

- Creating living-wage jobs.
- Strengthening our Schools and Community Colleges.
- Continuing his work with seniors that earned the endorsement of the Oregon State Council for Retired Citizens.
- Balancing economic development with protections for Oregon's unique environment and quality of life.

In his first term, David emerged as a champion of small business by working to streamline regulations, reduce small-business taxes, and create local jobs. David's advocacy of independence, security, and dignity for older Oregonians earned him an appointment to the Governor's Commission on Senior Services.

David stood firm for stronger school budgets to restore teaching days and reduce class sizes. He was a leading advocate for our Community Colleges.

David voted against GMO's and believes in quality food that is local, healthy, and real. He worked for safer, non-toxic children's toys. For fighting animal cruelty and neglect, David was named Legislator of the Year by the Humane Society of the United States.

David argued that before we raise taxes on law-abiding Oregonians, we must do a better job of collecting money owed by tax cheats.

I was born in Oregon and have spent most of my life in House District 23.

My family knew plenty of hardship as I grew up in rural Polk County. We thrived through hard work and with help from our community. I've spent the rest of my life paying forward that help through service to others.

This is my first race for the Oregon House of Representatives. I'm excited about this opportunity to serve the people of my district.

I'm a mother and grandmother, a member of the Gun Owners Caucus of the Democratic Party of Oregon, a former member of the Dallas Volunteer Fire Department and a U.S. Navy Veteran.

As Chair of the Polk County Democrats, I've been privileged to participate in robust but respectful discussions. I've acquired relevant experience in finding common ground and meeting goals. I know how to disagree without being disagreeable.

Washington DC style politics have overwhelmed our local debates. We can't let that continue. Oregon can set an example for the folks in the nation's capital.

I'll bring fresh ideas and a determination to bring people together to solve our problems. I'll cooperate when it helps our district and I'll put up a fight when necessary.

But I can't do it alone. I need your help getting elected and, together, we can make positive changes for Oregon.

Ken Moore - New Leadership For North Willamette Valley

As a young man, Ken cleared space in the woods, built his home from the ground up and raised his family here.

With a deep appreciation for our community's spirit and resilience, he brings people together from all walks of life for the common good.

People not Politics

Ken will respond to the broad community concern that entrenched extremism has left our district out of the legislative conversation and is not helping our schools or getting our people back to work.

Ken is a small business owner who has enriched our community through his service in education, the arts and civic engagement. He has the commitment, vision and consensus-building we need in our next State Representative.

Ken's Priorities

- **Strong schools:** through student preparedness, teacher excellence, family engagement
- **New jobs:** through public-private partnerships, streamlining bureaucracy, strategic investment in infrastructure projects
- **Opportunity:** for veterans, security for seniors, living-wage jobs

"As your voice in the Legislature, I will advocate reason over extremism, bridge political divides and work cooperatively for our district.

Together we can build a community rich in economic and educational opportunity, where children come to school ready to learn, where our businesses and families thrive, and government enacts the will of the people."

It's up to you! You can make the difference. You did it in 2012, and now is the time for you to step up again.

This year, we have a lot at stake. We need to reelect our statewide champions of Oregon's middle class: U.S. Senator Jeff Merkley, Governor John Kitzhaber, Labor Commissioner Brad Avakian, and our great Democratic Congressional team. And we need to hold and expand our majorities in the Oregon House and Senate so that they can keep working on legislation that makes a real difference in the lives of Oregonians.

As Oregon Democrats, we stand for our values:

- Family wage jobs and workers rights
- Equality for all, including marriage equality
- High quality education

Join our team today by becoming a Precinct Committee Person or volunteering with our campaign team.

Precinct Committeepersons (PCPs) are the grassroots activists at the heart of the Democratic Party of Oregon. Run for election as a Democratic Precinct Committeeperson and join our team. You'll represent the Democratic Party in your neighborhood, and represent the concerns of your neighborhood to the Party.

Duties of a Democratic Precinct Committeeperson:

- Drive voter registration
- Get out the word on Democratic candidates
- Vote on official party business
- Elect county party leadership and Platform Convention delegates

**Re-elect Chief Justice Tom Balmer to

In 2012, Tom Balmer's colleagues on the Oregon Supreme Court showed their confidence in his judgment, leadership, and legal skills by selecting him to serve as Chief Justice. In that role, he has led the Oregon courts through a difficult budget climate by carefully managing limited resources, adopting technology innovations that work, and improving court efficiency. Chief Justice Balmer has traveled the state to visit local trial courts and seek ways to improve access to justice for all Oregonians — while carrying a full workload of opinions and rulings on the Supreme Court. That performance is no surprise. Since 2001, Tom Balmer has served on Oregon's Supreme Court with distinction, exhibiting fairness, intelligence and an extraordinary work ethic.

The foundation of Chief Justice Balmer's success is his hands-on experience in the key areas the Supreme Court deals with every day. He has tried jury cases, argued before the U.S. Supreme Court, advised individuals and business clients on a wide variety of matters, and counseled elected and government leaders on constitutional and public law issues. As Deputy Attorney General, he argued criminal, election and constitutional law cases in Oregon and Federal courts. Tom Balmer's reputation as a thoughtful-scholar and practical problem-solver is well known. His broad, well-rounded experience and integrity has earned widespread support.

- Valid identification

What are the identification requirements?

1. If you have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles (DMV), you must provide it in the boxes on the card.
A suspended Driver's License is still valid; a revoked Driver's License is NOT valid.
2. If you do not have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles, you must affirm this on the card by marking the appropriate circle and you must then provide the last four digits of your Social Security Number.
3. If you do not have a Social Security number, you must affirm this on the card by marking the circle in indicating you do not have a valid Driver's License or Social Security number.
4. If you do not have a Driver's License, Permit, ID number, or a Social Security number, and you are registering by mail, you must provide a copy of one of the following which shows the voter's name and current address:
 - valid photo identification
 - a paycheck stub
 - a utility bill
 - a bank statement
 - a government document
 - proof of eligibility under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) or the Voting Accessibility for the Elderly and Handicapped Act (VAEH)

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at www.oregonvotes.gov or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:

- change your home address
- change your mailing address
- change your name
- change your signature
- want to change or select a political party
- will be away from home on election day

If you notify your county elections office of your change of residence address after May 15, 2014, you must request that a ballot be mailed to you or go to your county elections office to get your ballot.

Use online voter resources to register or update your registration status, oregonvotes.gov
