10:00 a.m.

Commissioners' Office Conference Room

PRESENT: Commissioners Mary P. Stern and Allen Springer, with Commissioner Kathy George being excused.

STAFF: Laura Tschabold, Murray Paolo, and Tim Svenson.

GUESTS: Kent Taylor, Ron Noble, and Rich Liepfert.

TOPIC: Microwave radio system

Mary called the meeting to order at 10:00 a.m.

The group discussed the replacement of microwave links in the public safety radio system and the interests and investment of the county and cities. The consensus was that the inner core of the radio tower system is the highest priority at this time. It was agreed that the City of McMinnville would participate and provide feedback on the RFP and selection process, and that a memorandum of understanding between the city and county would be developed.

The meeting adjourned at 10:52 a.m.
