

MINUTES
INFORMAL WORK SESSION
April 18, 2005

Goal Setting
Courthouse, Rm. 108

[Note: The work session was noticed to the press via Joint Schedule.]

PRESENT: Commissioners Mary Stern, Leslie Lewis, Kathy George

Staff: Laura Tschabold

Mary called the meeting to order.

Commissioners reviewed the common themes and issues identified through the goal setting meetings. All agreed that it would be good time to take the information back out to community members for feedback. Three town halls will be scheduled: May 17 (Newberg), June 2 (West Valley), and June 6 (McMinnville). Flyers will be sent home with elementary school students. Cards of invitation will be sent to groups that helped with previous goal setting work. Other invitees will include city officials, school board members, tribal officials, chambers, and others as determined by Laura. Refreshments will be served. Barbara Stanley and Laura will take care of arrangements.
