* indicates item forwarded to the formal March 25, 2009 agenda

Leslie called the meeting to order.

* Personnel - Leslie reviewed the personnel action items requested by various departments.

* Contracts - Contracts submitted by Commission on Children & Families and Developmental Disabilities were moved to the agenda.

* Surveyor as Appointed Official / Ordinance. First reading will be March 25; second reading on April 8, 2009.

Census 2010 - There was brief discussion relating to the presentation the Board received on January 14, 2009 regarding the County's role in the upcoming census. As requested, a resolution (proclamation) will be adopted by the Board. It was noted that in past years, the census responsibility has been managed by the County Clerk's Office. Consensus was for Kathy, as liaison with the clerk's office, to contact Ms. Stern Doll.

* Prepare resolution supporting census.

Budget tabloid - John Krawczyk discussed changes he would like to incorporate in this year's budget tabloid to make it more readable. One possibility is to group departments, perhaps along the service team concept, rather than to list each department or division individually. The consensus was that making the tabloid more readable would be beneficial to the public.

The meeting adjourned at 2:32 p.m.
