

WORK SESSION MINUTES

July 1, 2013

11:00 a.m.

Commissioners' Office Conference Room

PRESENT: Commissioners Kathy George, Mary P. Stern, and Allen Springer.

STAFF: Laura Tschabold.

Others: Kathleen George, Confederated Tribes of the Grand Ronde.

TOPIC: Spirit Mountain Community Fund (SMCF)

Kathy called the meeting to order at 11:10 a.m.

Kathleen George, SMCF Director, reviewed the granting categories, past grant awards, and the grant cycles. She reported that there have been less grant funds available and more requests over the last few years, making it a highly competitive process. She said that the tribe offers free grants training every other month.

Mary discussed the likelihood of a future grant request from the county to purchase right-of-way for the Yamhelas Westsider Trail, noting that there may be some historical tribal connections with the rail corridor. Kathleen said that she would look into it to see which granting category that would fall under.

The meeting adjourned at 11:55 a.m.
