IN THE BOARD OF COMMISSIONERS OF THE STATE OF OREGON
FOR THE COUNTY OF YAMHILL
SITTING FOR THE TRANSACTION OF COUNTY BUSINESS

In the Matter of an Ordinance Adopting )
a new Yamhill County Historic and )
Archaeological Preservation Ordinance; ) ORDNANCE 683
Repealing Ordinance 598 )

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat for the transaction of county business in formal session on January 11, 2001, Commissioners Robert Johnstone, Thomas E.E. Bunn and Leslie Lewis being present.

THE BOARD MAKES THE FOLLOWING FINDINGS:

A. On August 23, 1995 the Board adopted the Ordinance 598 to establish the Yamhill County Historic and Archaeological Preservation Ordinance. Ordinance 598 repealed the prior Historic Landmarks Ordinance adopted by Ordinance 466.

B. The Department of Planning and Development has proposed amendments to Ordinance 598 to substitute the Yamhill County Planning Commission for the Yamhill County Landmarks Commission as the governmental body responsible for recommending to the Board which historic landmarks should be added to or removed from the inventory of significant historic sites.

C. On December 14, 2000 the Board held a public hearing in Room 32 of the courthouse to consider this ordinance. The Board has now determined the Planning Commission rather than the Landmarks Commission should be the governmental body charged with recommending to the Board which historic landmarks should be added to or removed from the inventory of significant historic sites.

D. This ordinance is necessary to adopt a new Yamhill County Historic and Archaeological Preservation Ordinance. NOW, THEREFORE,

THE YAMHILL COUNTY BOARD OF COMMISSIONERS ORDAINS AS FOLLOWS:

SECTION 1 REPEAL OF ORDINANCE 598.

Ordinance 598, August 23, 1995 is hereby repealed and of no further force or effect.
SECTION 2  ENACTMENT OF NEW HISTORIC AND ARCHAEOLOGICAL PRESERVATION ORDINANCE.

The Yamhill County Historic and Archaeological Preservation Ordinance attached and incorporated into this ordinance as Exhibit "A" is hereby adopted.

SECTION 3  ABOLITION OF YAMHILL COUNTY LANDMARKS COMMISSION.

The Yamhill County Landmarks Commission is hereby abolished.

SECTION 4  SEVERABILITY CLAUSE.

All sections, subsections and paragraphs of this ordinance are severable. If any section, subsection or paragraph is ruled invalid for any reason by the court of last resort, the other portions of this ordinance shall be unaffected.

SECTION 5  EFFECTIVE DATE; EMERGENCY CLAUSE.

The first reading of the ordinance occurred December 21, 2000; the second reading on January 11, 2001. The effective date of the ordinance is April 11, 2001.

AYES: Commissioners Johnstone and Lewis.

NAYS: Commissioner Bunn.

YAMHILL COUNTY
HISTORIC AND ARCHAEOLOGICAL PRESERVATION ORDINANCE

100.01 PURPOSE.

The purpose and intent of this Ordinance is to promote the historic, educational, cultural, economic and general welfare of the public through the preservation, restoration and protection of buildings, structures and appurtenances, sites, places and elements of historic and archaeological value and interest within Yamhill County.

100.02 APPLICATION.

The provisions of this Ordinance shall apply to significant historic landmarks and archaeologically, sensitive areas designated in the adopted inventory and identified on the Significant Resource Areas (SRA) Map.

100.03 DEFINITIONS.

Board: The Yamhill County Board of Commissioners

Commission: The Yamhill County Planning Commission

Director: The Yamhill County Planning Director

Exterior Alterations: A material addition to, removal of, or remodeling of, any exterior portion of an historic landmark. Exterior alteration does not include painting, roofing, siding, routine exterior maintenance or other repair activities which do not adversely affect the historic integrity of the landmark.

Demolition: The demolition, removal or relocation, in its entirety, of an historic building

Inventory: The inventory of historic sites identified in the Yamhill County Comprehensive Plan, and any subsequent additions added under the criteria in Section 100.04 of this ordinance.

Landmark: Any historic site, object, building or structure designated by the Board under this Ordinance.

SHPO: State Historic Preservation Office

Significant Historical Landmark: Refers to resources which, based on information regarding location, quality and quantity, are considered to be significant and identified on the County’s Significant Resource Areas (SRA) Map.

YCZO: Yamhill County Zoning Ordinance.
A. The process for designating a historic landmark for the purpose of administering this Ordinance, may be initiated by the Board, the Commission, or by any interested person who submits an application for designation to the Director. Following the receipt of an application the Department of Planning and Development shall provide the property owner of the proposed landmark with written information regarding the benefits and restrictions of such designation.

B. The following written information shall be required in an application:

1. Names and addresses of applicant and owner(s);

2. A written description and map indicating the location of the proposed historic landmark;

3. A statement explaining the following:
   a) Reasons why the proposed resource should, be designated significant, based on the criteria set forth under Section 100.04(D).
   b) The potential impact, if any, which designation of the resource would have on the residents or other property owners in the area.

C. Upon receipt of a complete application, the Director shall forward the request to the Commission, SHPO, and send public notice as set forth in Section 1402.01 of the YCZO. The Commission shall hold a public hearing within 45 days of receipt of the application. The Commission shall make its recommendation in writing to the Board following conclusion of the public hearing.

D. The Commission shall determine if the resource should be designated a significant landmark, based on the following criteria:

1. Is included in the National Register of Historic Places; or

2. Retains physical integrity in original design, condition and setting; and, is characterized by at least one of the following:
   a) Exemplifies or reflects special elements of the county's cultural, social, economic, political, architectural history;
   b) Is identified with persons or events significant in local, State or national history;
c) Is among the best examples, within Yamhill County, of a style, type, period or method of construction, or is a valuable example of the use of indigenous materials or craftsmanship;

d) Is representative of the notable work of a builder, designer or architect.

3. In addition, the owner of the property must give written consent to designation of the property as a historic landmark.

E. Within 45 days of receipt of a Commission decision regarding a request for designation as a historic landmark, the Board shall hold a public hearing and:

1. Designate the proposed resource by order;

2. Deny the designation; or

3. Return the matter to the Commission for consideration of additional specified information.

F. Board approval, denial, or remand of the request for designation as a historic landmark shall be in writing and supported by findings which address the criteria set forth under Section 100.04 (D) and other pertinent Goals, Policies and provisions of the Comprehensive Plan and Zoning Ordinance.

100.05 REMOVAL OF A RESOURCE FROM INVENTORY OF SIGNIFICANT LANDMARKS

A. The process for removing a historic landmark from the County inventory of significant historic landmarks, may be initiated by the Board, the Commission, or by any interested person.

B. The following written information shall be required in an application:

1. Names and addresses of applicant and owner(s);

2. A written description and map indicating the location of the historic landmark;

3. A statement explaining the following:

a) Reasons why the proposed resource should not remain on the Inventory of Historic landmarks, based on the criteria set forth under Section 100.05 (D).
b) The potential impact, if any, removal of the resource from the inventory would have on the residents or other property owners in the area.

C. Upon receipt of a complete application, the Director shall forward the request to the Commission, SHPO, and send public notice as set forth in Section 1402.01 of the YCZO. The Commission shall hold a public hearing within 45 days of receipt of the application. The Commission shall make its recommendation in writing to the Board following conclusion of the public hearing.

D. The Commission shall determine if the landmark should be removed from the inventory, based on the following criteria:

1. The Landmark is not included in the National Register of Historic Places; or

2. The Landmark does not retain physical integrity in original design, condition and setting; and, is not characterized by any one of the following:
   
a) Exemplifies or reflects special elements of the County’s cultural, social, economic, political, architectural history;

b) Is identified with persons or events significant in local, State or national history;

c) Is among the best examples, within Yamhill County, of a style, type, period or method of construction, or is a valuable example of the use of indigenous materials or craftsmanship;

d) Is representative of the notable work of a builder, designer or architect; or

3. The owner of the property has requested, in writing, that the landmark should be removed from the inventory. If the property was granted a special assessment under ORS 358.475 to 358.545, the request must be accompanied by a copy of written notice by the taxpayer to the assessor to remove the special assessment as required by ORS 358.515(1)(a).

E. Within 45 days of receipt of a Commission decision regarding a request for removal of a landmark from the Inventory of Historic Landmarks, the Board shall hold a public hearing and:

1. Remove the landmark from the Inventory by a duly enacted County order;

2. Deny the request for removal; or
3. Return the matter to the Commission for consideration of additional specified information.

F. Board approval, denial, or return of the request for removal of the historic landmark from the Inventory shall be in writing and supported by findings which address the criteria set forth under Section 100.05 (D) and other pertinent Goals, Policies and provisions of the Comprehensive Plan and Zoning Ordinance.

100.06 HISTORIC LANDMARKS

A. Exterior remodeling or alteration of historic buildings, sites or objects

The Building Official shall submit to the Director or his designee all building permit requests for exterior alteration of a historic landmark. Upon receipt of a complete application the Director shall submit the request to the Commission for review under the criteria set out in Section 100.06 (B). The Commission shall hold a public hearing regarding the matter and prepare findings to support their action. The Director shall send public notice to SHPO and public notice as set forth in Section 1402.01 of the YCZO.

1. If the Commission finds the proposed alterations to be in compliance with Section 100.06 (B), they shall submit to the Building Official a "clearance for permit" which will indicate that the requirements of this Ordinance have been satisfied by the request.

2. If the Commission finds the proposed alterations do not comply with standards under Section B, they must either: 1) approve the application subject to compliance with conditions which will bring the application into conformance with applicable standards listed in section 100.06 (B) or, 2) deny the request. Decisions of the Commission may be appealed to the Board.

B. Standards for exterior alteration of an historic building

The Commission shall approve an application for exterior alteration of a historic landmark if the proposed change is determined to be harmonious and compatible with the appearance and character of the landmark and shall deny an application if the proposed alteration would adversely affect the architectural significance or the integrity of historical appearance of the building. In determining whether to approve or deny an application, the Commission shall apply the following standards:

1. Retention of original construction. So far as practicable, all original exterior materials and details shall be preserved.
2. **Height.** Additional stories may be added to historic buildings provided that:

   a) The additional height complies with requirements of the building and zoning codes;

   b) The additional height does not exceed that which was traditional for the style of the building;

   c) The additional height does not alter the traditional scale and proportions of the building style; and

   d) The additional height is compatible with adjacent historic buildings.

3. **Bulk.** Horizontal additions may be added to historic buildings provided that:

   a) The bulk of the addition does not exceed that which was traditional for the building style;

   b) The addition maintains the traditional scale and proportion of the building style; and

   c) The addition is visually compatible with adjacent historic buildings.

4. **Visual Integrity of Structure.** The lines of columns, piers, spandrels and other primary structural elements shall be maintained so far as practicable.

5. **Scale and Proportion.** The scale and proportion of altered or added building elements, the relationship of voids to solids (windows to wall) shall be visually compatible to the extent possible with the traditional architectural character of the historic building.

6. **Materials and Texture.** The materials and textures used in the alteration of addition shall be visually compatible to the extent possible with the traditional architectural character of the historic building.

7. **Signs, Lighting and Other Appurtenances.** Signs, exterior lighting, and other appurtenances, such as walls, fences, awnings and landscaping shall be visually compatible with the traditional architectural character of the historic building.

C. **Demolition**

The Building Official shall submit to the Director or his designee all building permit requests for demolition of a historic landmark. The Director shall submit the request to the
Commission for review under the criteria set out in Section 100.06 (C) (2) and send public notice as set forth in Section 1402.01 of the YCZO. The Commission shall hold a public hearing regarding the matter and prepare findings to support their actions, based the criteria under Section 100.06 (C) (1).

1. All requests for demolition of a historic building or new development on historic sites shall be reviewed by the Commission. The Commission may approve, approve with conditions or deny the request, based on the following criteria:
   
a) Is the building or structure of such interest or significance that it could be listed on the National Register of Historic Places?
   
b) Is the building of such old and unusual or uncommon design, texture and/or material that it could not be reproduced or reproduced only with great difficulty and/or expense?
   
c) Would retention of the building or structure help preserve and protect a historically significant place or area of the community?
   
d) Is the building or portion thereof in such condition that it is unfeasible to preserve or restore it, taking into consideration the economic feasibility of alternatives to the proposal?

2. Postponement of final Action. The Commission may postpone taking final action on a request for issuance of a demolition for a period fixed by the Commission as follows:
   
a) No more than 60 days following the date of the public hearing. Further postponements may be made for a period not to exceed a total of 30 days, if the Commission makes the following findings:
      
1) There is a program or project underway that could result in public or private acquisition and subsequent preservation of the landmark; and

2) There is reasonable grounds for believing the program or project may be successful.
   
b) During a period of postponement, the Commission may require the property owner to:
      
1) List the landmark for sale with a real estate agent. The real estate agent shall advertise the landmark in local and state newspapers of

HISTORIC AND ARCHAEOLOGICAL PRESERVATION ORDINANCE (Exhibit “A” to Ordinance 683)
general circulation in the areas for a minimum of 10 days over a 5 week period.

2) Give public notice by posting the hearing notice on-site in addition to a "For Sale" sign which shall read: HISTORIC LANDMARK TO BE DEMOLISHED - FOR SALE. Lettering on the sign shall be at least one foot in height. The sign shall be provided by the applicant and posted in a prominent and conspicuous place within 10 feet of a public street abutting the premises on which the landmark is located. The applicant is responsible for assuring the sign is posted for the period during which the property is listed a provided under (1) above.

3) Prepare and provide to the Director any information related to the history and sale of the property. The Director shall make available such information to all individuals, organizations and agencies who inquire.

If the Commission finds an owner has failed to substantially comply with required provisions under this subsection, the request for demolition shall be denied.

3. After granting a further postponement, the Commission shall order the Director, in writing, to issue the permit if it finds:
   a) All programs or projects to save the resource have been unsuccessful;
   b) The application for demolition has not been withdrawn; and
   c) The application otherwise complies with County ordinances and State law.

4. Press Release. Prior to issuance of a demolition permit, the Director shall issue a press release to local and state newspapers of general circulation in the County. The press release shall include, but not be limited to, a description of the significance of the resource, the reasons for the proposed demolition and possible options for preserving the resource. The demolition permit shall not be issued less than 30 days from the date on which the press release was submitted.

5. Exception. If the structure for which the demolition permit request has been filed has been damaged in excess of 70 percent of its assessed value due to fire, flood, wind or other natural or man-caused disaster, a demolition permit may be approved by the Building Official without processing the request as set forth in this Ordinance.
6. **Appeals.** A decision by the Commission to approve, deny or postpone issuance of a demolition permit or to grant a further postponement may be appealed to the Board by any aggrieved party who appeared orally or in writing, in person or through an agent at the Commission hearing and presented or submitted testimony related to the request. An appeal shall be filed with the Director within 10 days from the date of the public hearing regarding the matter on forms provided by the Director.

7. **Board Ordered Demolition.** This Ordinance shall not be construed to make it unlawful for any person to comply with an order by the Board to remove or demolish any landmark determined by the Board to be dangerous to life, health or property.

**100.07 ARCHAEOLOGICAL RESOURCES.**

When an application is submitted for a land use change or building permit within an archaeologically sensitive area indicated on the SRA Map, the Director shall be notified. In the event that archaeological resources are unearthed or discovered during construction activities, the following standards apply:

A. Notification shall be made to the Director, SHPO and the Grande Ronde Indian Tribe and construction shall be halted, for a period of time not to exceed 30 days, until a determination is made as to the location, quantity, quality and significance of the resource per OAR 660-16-000.

**100.08 EFFECTIVE DATE.**

This ordinance is effective 90 days from the date of passage.
